Big Crowds Expected At Tule Fair

Agricultural and home exhibits and livestock showing are expected to attract record crowds to the fourth annual Tulelake-Bute Valley Fair starting next Sunday in Tulelake.

W. C. Whitaker, secretary-manager of the Tulelake Valley Fair Board, reports that five new buildings and a pavilion will be ready for use this weekend for the three-day affair. In addition, the 35-acre fairgrounds have been completely covered with grass to alleviate the dust problem of last year.

Exhibits will be open all three days, but judging will not get underway until Monday morning at 9 o'clock (PDT). Entries closed Monday, and Whitaker revealed that the number is triple that of last year.

The agricultural and home exhibits are open to both adults and youth, but the livestock division is restricted to 4-H and FFA members.

A prize of \$185 is being awarded this year to the best of the community and county booth exhibits. A baseball game between the Tulelake Horneteaders and the Anderson, California, town team will be played Sunday at 2 p.m. Activities begin in earnest on Monday. A flower show is scheduled for 10 a.m., followed by a parade at noon, featuring the Klamath Union High School band. Then the five new fair buildings will be dedicated. Guest speakers will include Congressman Clair Engle and Pauline Davis, state assemblywoman.

A band concert and games and contests are due in the afternoon. Main attraction will be the world championship siphon-setting contest. Among contestants will be Orville Pitts of Macdoel, considered the defending world title. He is said to have set 50 tubes in 1 minute, 28 seconds.

The Kiwanis talent show will be held Monday night at 7:30.

The livestock auction sale is slated for Tuesday at 8 a.m. in the new sale pavilion, which seats 500 people. Offered for competitive bidding will be 17 heaves, 15 hogs and 71 sheep, all owned by 4-H and FFA members.

The fair officials will move into their new office building Wednesday noon. It was recently completed at a cost of \$1,600.

Volght's gives green stamps on SCHOOL TEXTBOOKS and all other supplies.

TWO ACCORDION PLAYERS helped furnish entertainment at a costume party Saturday in the county library for children who had checked out books this summer. They are Michael Holland, left and Gary Fredricks. Other entertainment was provided and the children played games and were served refreshments. They received prizes for best costumes.

Polio Passes Summer Peak In Europe With Low Record

LONDON (AP)—Polio appears to have hit its summer peak in Europe without reaching epidemic proportions anywhere. The number of cases for the year to date ranges from a low of 10 in Denmark to as high as 1,519 in England and Wales.

Only Denmark carried out a large-scale program of inoculation. The country had 120 polio cases in the same period of 1954. No polio cases have yet developed among 430,000 schoolchildren vaccinated, the Danish Health Board reported. The vaccine was produced by the Danish State Serum Institute.

Severe localized outbreaks occurred in some areas of Europe. The Bavarian Interior Ministry, for example, reported 436 cases, more than double the state's seasonal average, and 46 deaths since May 1.

Berlin reported 48 cases and 5 deaths. Glasgow reported 43 patients this week, a polio situation described as "rather more than we can regard as seasonal."

On the other hand, Scandinavia generally had a low number of cases. Swedish and Danish health officials explained big outbreaks in 1952 and 1953 probably immunized large sections of the population.

A European survey gave this picture: FRANCE — 651 cases up to mid-August with the peak past and

relatively few new ones expected. This compared with 448 cases last year and 1,979 in 1950. Authorities said a vaccine being developed by the Pasteur Institute was used on a very limited experimental basis. ITALY — 1,124 cases up to Aug. 12, compared with 2,263 in 1953, an epidemic year.

NETHERLANDS — 19 cases so far this year. For the whole of 1954, 331 cases were recorded. ENGLAND AND WALES — Provisional figures showed 1,519 cases up to Aug. 6 and a Health Ministry spokesman said the trend was closely following the pattern of 1952, which was not an epidemic year.

SWEDEN — 86 cases up to mid-August, compared with 1,010 in 1954. About 2,000 schoolchildren were inoculated with Swedish-developed vaccine last spring.

NORWAY — 71 cases, compared with 183 for the same period in 1954 and 305 in 1953.

Italy, Netherlands and England are conducting vaccine studies preparatory to conducting immunization programs. Belgium and Sweden are awaiting further developments and checks on vaccines. Norway dropped plans to inoculate children with Salk vaccine this summer.

County Fair Bids Asked

Bids for the purchase and removal of the present Klamath County Fair sales arena on the fairgrounds will be opened next Monday by the county fair board.

The job is to take two weeks, and the site is to be filled and prepared for construction of a new sales and show arena. Plans for this job already have been drawn by Architect Howard Perrin.

Construction is expected to get underway either this fall or next spring. Total cost is to be about \$100,000, but the building will be finished in stages. The first phase will cost about \$30,000.

It is to be an all-weather building with a seating capacity of 2,500. Half of the seats will be removable to make the structure usable for a rodeo.

The plans were made necessary by the inadequate barn and sales arena facilities at present. They are the result of two years study by a committee composed of members of the fair board and a group from the 4-H Leaders Association.

Butte 4-H Club Wins Ribbons

MACDOEL — Seven blue ribbons, three red ribbons and one white ribbon were won at the recent Siskiyou County Fair at Yreka by members of the Butte Valley 4-H Club who exhibited steers. Winners were Frank, Dennis and Charles Gross, Monte and Diana Robison, Sylvia and Lynda Holbrook, Judy Fenwick, Linda Kay Crawford and Twyla, Glenda and Dale Johnson.

Diana Robison won reserve champion in the 4-H class with her Hereford steer. She plans on showing him at the Tulelake Fair. Monte Robison placed fifth and Diana Robison sixth in showmanship.

The Adams Seed Company of Macdoel bought Frank Gross' steer at the 4-H auction.

Butte Valley Spurs Plan Morning Ride

MACDOEL — Members of the Butte Valley Spurs decided to hold a breakfast ride some time in September when they met at the home of Mrs. Lee Sammis Wednesday evening. Sixteen members attended.

Mrs. Ronald Stumbaugh and Mrs. Robert Bell each were presented with a baby's white sweater set, a gift from the members.

The secretary announces that dues must be paid by the September meeting.
