Courtship Rules Differ

WASHINGTON (AP) — Tip to travelers: Those Norwegian girls are inclined to keep a man at arm's length at first. But when they really know you, they are not. And much the same is true of Norway's young men, says a report prepared for an American sociological society meeting opening here Wednesday.

Gilbert Geis of the University of Oklahoma and William Simonsen of Washington, D.C., prepared the study, which compares courtship patterns of students at the universities of Wisconsin and Oslo.

"In dating intimacy," the authors say, "the Norwegian male tends to be more conservative than the American during the initial stage. With greater dating permanence, however, the Norwegian male believes in considerably greater sexual freedom than does the American."

"The Norwegian girl is rather strict in intimacy terms at the early stages of the relationship, compared with the American, but considerably more liberal in the later stages of the relationship, particularly during the engagement period."

Another difference: The Norwegian girl normally pays half the cost of the date, while, say the authors, "the American girl rarely bears any of the dating cost."

Public Inquest Slated In Death

PHILADELPHIA (AP) — A public inquest begins today into the sudden death of beautiful young socialite Mrs. Doris Jean Silver Oestreicher. The case has been under a secrecy-shrouded investigation by city police and medical authorities for a week.

The 22-year-old chain store heiress who eloped with Miami Beach motorcycle policeman Earl Oestreicher to Folkston, Ga., June 24, returned to her parents home alone here two weeks ago. She died while visiting in the apartment of her friends Aug. 24.

Police Commissioner Thomas J. Gibbons has termed the death "suspicious."

The Philadelphia Inquirer quoted Dist. Atty. Samuel Dash as saying police have been working on the assumption the death "was caused by an illegal operation."

Dash could not be reached for comment. Other investigators and Mayor Joseph Clark declined comment.

Navy To Accept Big New Carrier

NEWPORT NEWS, Va. (AP) — A naval spokesman said today the carrier Forrestal's burned out propeller shaft bearings will be no obstacle to the Navy's acceptance of the ship.

"Like death and taxes, trouble in new things is inevitable," said Rear Adm. R. F. Stout, president of the Navy Trial Board of Survey and Inspection, which checked the Forrestal's performance during her sea trials this week.

The mechanical difficulties that caused the giant new warship to postpone her full power runs Wednesday and to cut her trials short by two days "will be corrected and everything will be all right I am sure," Stout told newsmen.

"There is a good probability" the Newport News Shipbuilding and Drydock Co., the Forrestal's builders, will be able to deliver the ship Sept. 29 as scheduled, he said.

He said the numerous tests of the carrier's machinery and equipment during the 48 hours sea was at sea "were very successful."

POLICE PROTECTION

NEW YORK (AP) — A gunman robbed the Hotel Belvedere of \$2,800 yesterday even though the hotel was full of policemen. They were upstairs attending a wedding reception given by Patrimoine Joseph Kelly and his bride and did not learn about the holdup until later.

FLOOD RELIEF

NEW YORK (AP) — The Red Cross says it still is up to \$2 1/2 million dollars in the 10-million goal for Northeast flood relief. The organization announced yesterday that emergency contributions total \$7,421,926 to date.
