## "DENNIS THE MENACE"

"THAT'S THE WAY THEY WAKE 'A UP IN THE ARMY!"

### Paul Muni Loses Eye

NEW YORK (AP)—Paul Muni, one of the top actors of Broadway and Hollywood, has come through an operation for the removal of his left eye satisfactorily and is said to have taken the loss in good spirit.

Muni, who had complained of pain and falling eyesight, gave up his leading role in the Broadway hit "Inherit the Wind" last week. His performance in the show had earned him Variety's nomination as best actor of the year.

The 59-year-old actor's eye was removed at Mt. Sinai Hospital yesterday after it was found to be affected by a tumor—a growth which or might not be cancerous. His right eye was reported normal, with the sight unimpaired by the operation.

It was explained that 48 hours were required to determine whether the tumor was cancerous.

Muni ended six years of retirement to play in "Inherit the Wind" and reportedly hopes to return to the show after he recovers from the operation.

### Integrated Schools Open

By THE ASSOCIATED PRESS

Integrated public schools have begun the fall term in scattered sections of the South but most of those accepting both Negro and white pupils for the same classrooms are at government installations.

Three Florida Air Force bases have opened integrated schools. They are MacDill AFB at Tampa, Eglin AFB at Valparaiso and Tyndall AFB at Panama City. School principals said no count was made of the number of Negro pupils enrolling.

Oak Ridge, Tenn., where public schools are financed by the Atomic Energy Commission, opened the Oak Ridge High School and Rogersville Junior High to Negroes yesterday. About 45 Negroes registered at the high school in a total enrollment of about 1,700. Fifty Negroes entered the junior high school, which has a total of about 1,000 pupils.

The high schools were the first public schools in Tennessee to have mixed classes.

Principal T. H. Dunigan of Oak Ridge High named a Negro teacher to the faculty. He is Fred Brown, who will teach printing, home mechanics and plastics.

At Ashland, Ky., six Negro students enrolled at the junior college after the Board of Education announced Monday that the school would open to both races.

At Birmingham, Ala., Federal Judge H. H. Groves granted the University of Alabama a four-month stay of a court order to accept Negro students.

Several Texas communities began integrated schools without incident yesterday. A half dozen Negro students enrolled in lower grades of former all-white schools at Big Spring, and 14 Negroes at Austin.

Nearly 200 Negroes enrolled in integrated schools at Bexar County, where the county seat is San Antonio.

### Pedestrian Hit By KF Auto

A 63-year-old pedestrian suffered a fractured ankle Saturday when hit by a car at Klamath Avenue and Seventh Street, and the driver was arrested for failure to yield right of way to a pedestrian.

The injured man, F. H. Harral, 120 North Second Street, was treated at Klamath Valley Hospital and then released to recuperate at home.

Appearing before Municipal Judge Frank Blackmer, Tuesday morning, Charles Frederick Harer, 84, of Bishop, California, pleaded guilty to the pedestrian charge. He will appear on September 17 for sentencing.

He was released on \$100 bail.

Harral was crossing at the intersection when the Harer car hit him, according to investigating patrolman Roy Howard and John Wilson.

**QUICK STOP**  
 HOLLYWOOD — When Mrs. Irma Osborn's purse fell out of her automobile while she was driving on the Hollywood Freeway yesterday she applied the brakes at once. A 13-ton truck loaded with lettuce struck her car, crumpled the back half of it, and both vehicles plowed through a fence and came to halt on a vacant lot off the Freeway.

## Republican Party Leader Predicts Victory In '56

WASHINGTON (AP)—National Chairman Leonard W. Hall predicted today a "landslide victory" for the Republicans in 1956. But Senate and House campaign committee heads said it will not be easy for the GOP to win control of Congress.

Hall said in a talk prepared for the opening season of a campaign school for Republican state chairmen that if the GOP can get its machinery operating effectively at the precinct level "we can look forward to a victory of landslide proportions in 1956, not only for the presidency but in recapturing control of both houses."

Sen. Goldwater (R-Ariz.) and Rep. Richard M. Simpson (R-Pa.), chairmen of the party's Senate and House campaign committees agreed in other prepared talks that control of Congress can be won but said it will require hard work.

"Today our Republican party has great assets," Hall said. "We have the magnificent and dedicated leadership of President Eisenhower and the rest of the team which has made good government the rule rather than the exception in America for the past three years."

He spoke also of "the greatest prosperity this nation has ever known," and said it has been achieved "while the country has been at peace."

While Hall said nothing about the possibility that President Eisenhower will run again, many of the state chairmen made it clear they feel the President's presence on the 1956 ticket is essential to victory.

The chairmen will fly to Denver, Colo., at the close of their classes Friday for a Saturday morning breakfast discussion of campaign plans with Eisenhower.

Some GOP leaders said they think the presidential invitation implies that Eisenhower intends to seek another term.

As far as the battle for control of the Senate is concerned, Goldwater said, "We start out... with the cards stacked in our disadvantage." He said this was true because 8 of the 15 Democratic seats at stake next year are in the South while the Republicans can

**DON'T show me bifocals**

**Examine me for Noles Blend-Vue Lenses!**

Blend-Vue lenses are obtainable exclusively through Dr. Noles Optometrists at Columbian Optical Company. If you have dreaded getting new glasses because you knew your next pair would be bifocals, Dr. Noles can give you the appearance of youth and freedom from bifocal discomforts through this sensational lens, which eliminates the objectionable bifocal line and unpleasant eye-jump caused by old-fashioned bifocal lenses. The new Noles BLEND-VUE lens is not to be confused or compared with ordinary continuous vision lenses, which we have dispensed for many years.

Pleasant, courteous credit always.
