

RED CROSS FLOOD RELIEF funds were aided by Klamath Basin residents last week when they purchased food items from the Red Cross sponsored food sales. Mrs. Charles Dakin (left), of the Klamath Falls Red Cross Chapter, shows a cake sold at the sale to Eloise Duges and Bob Cable of the Big Y Market meat department. Local 366 of the Amalgamated Meat Cutters and Butchers' Workers Union voted \$50 for the relief fund. The \$50 was used to purchase a cake from among those on sale at the Big Y Market. The cake was then returned to the Red Cross for a further sale.

## New school of thought about trucks

THIS smart Blue Chip GMC runabout is as handy at exploding traditions as it is for delivering the youngsters to classrooms. It denies that a truck must be just a hard-fisted work vehicle—and proves the point with its obvious fitness for family use and playtime fun.

Mighty V8 power gives it spirited agility as well as brawn; Hydra-Matic Drive™ gives it easy flexibility as well as remarkable economy. And the sweeping visibility through that panoramic windshield makes it safer, too.

Best of all, perhaps, is that this Blue Chip GMC quickly writes off its slightly

higher cost with its greater efficiency and rugged stamina that insure longer life. And it commands a higher trade-in with its outstanding modernity.

There you have it. A Blue Chip GMC will bring distinction to your business, and serve your family too. Come in and see us about one.
