Garland's TV Debut Labeled 'Personal Triumph' By CBS

By JAMES BACON

HOLLYWOOD (AP)—Judy Garland blew her voice on her television debut but both she and her husband said today: "It was worth it."

So did CBS-TV, where one spokesman labeled Judy's debut Saturday night as "the greatest personal triumph in the history of the network."

"We've never had anything like this happen before," he commented. "Our switchboards were still jammed 24 hours after the telecast."

"People from all over the country called just to tell us how much they liked Judy. That's all, just to tell CBS how much they liked her."

"We've never had such an intimate personal reaction from viewers before."

Judy and her producer husband Sid Luft, got little sleep after the show. The doorbell was rung all night by messengers delivering telegrams.

Luft said 1,500 telegrams, mostly from people in small towns that he and Judy never had heard about, were counted by last night.

"People sure are wonderful," said Luft, Judy agreed.

Living up to show business tradition, she had made the debut despite a severe case of laryngitis. Judy pook-pooed the throat trouble Friday.

"It's just nerves," she said then. "It will go away."

However, CBS really got worried when about 20 minutes before show time it looked as if her voice might not make it. A doctor, summoned hastily, sprayed her throat and stood by in the wings with

Man Divorces Obese Wife

CHICAGO (AP)—With the deadline only hours away, 44-year-old Mrs. Lillian Korzen still needed to lose 18 pounds today to save her marriage.

Her husband, who filed suit for divorce last May, promised to take her back if she could slim her 190 pounds down to 127 by Sept. 27. Korzen charged cruelly, but said he was filing the suit because his wife weighed too much.

Judge Cornelius Harrington approved the dieting arrangement and Mrs. Korzen has spent the last five months in fast.

Yesterday her attorney Edwin C. Podwell said she weighed in at 145 and had been prohibited from dieting any more by her physician. "She looks pretty good," Podwell said. "There's no question but that she could take off the weight if she had more time."

He said he would ask for a continuance of tomorrow's scheduled court appearance.

Korzen's attorney said, however: "I'll produce an accurate scale and I will ask her to get on it."

Civil Service Case Opens

WASHINGTON (AP)—A Senate Civil Service subcommittee investigating the administration's employment security program called key government officials today for questioning about the Wolf Ladejinsky case.

William D. Smith, executive assistant to the Secretary of Agriculture Benson, and J. Glen Cassidy, the Agriculture Department's personnel security officer were leadoff witnesses.

Also called were Harold E. Stassen, former director of the Foreign Operations Administration and Scott McLeod, the state Department's security chief.

Ladejinsky, a Russian-born government land reform expert, received security clearance from the State Department and was employed as an agricultural attache in Japan. But last December, when his job was transferred to the Agriculture Department, his clearance was lifted and he was dismissed.

In the uproar that followed, he was cleared and hired by Stassen's Foreign Operations Administration and assigned to land reform work in Communist-threatened Indo-China. Benson later ordered Ladejinsky's designation as a security risk stricken from Agriculture Department records.

COMMIES TAKE UP BASEBALL
TOKYO (AP)—Japan's Communist party has taken up that old capitalist pastime of baseball. The party has formed two teams on its newspaper Red Flag. Team colors: red, white and blue.

BEST DRESSED hillbilly boy and girl at the annual freshman reception at Medoc Union High School at Alturas Thursday were Floyd Whiting and Jessie Prior. The reception climaxed a one-day initiation for new freshmen members of the school. Cowbells, awarded as prizes, are from the student council, sponsor of the annual event.

MALIN

Members and guests of the Malin Garden Club will be entertained by Mrs. Phil Blohm, Wednesday, September 28, at 2 p.m., at her ranch home three miles east of Malin. Mrs. Edwin Stastny will act as co-hostess.

A workshop featuring weathered wood arrangements will be conducted.

Participating in the program theme each member is asked to bring a rustic arrangement to be judged by the program leaders. Prizes will be awarded. Roll call topic is to be "A Mountain Shrub I Have Learned To Know."

Woman Demonstrates Submarine Tactics

DETROIT (AP)—Mrs. Eileen Whelan didn't have to board the submarine Tambor on the Detroit River to show her 11-year-old son an underwater craft.

No sooner did the two start for the submarine yesterday when their parked car began to roll, gaining momentum and was launched—right in the river.

Russia Releases U.S. Jet Flyers

WIESBADEN, Germany (AP)—The Russians have released two U.S. airmen whose jet trainer made a forced landing Friday in Communist East Germany. Their T33 plane was to be returned to the air force today.

An air force spokesman said the pilot, Maj. Louis W. Cunningham of El Paso, Tex., and Sgt. Warren P. Gehler of Jersey City, N.J., were in good shape when they were handed over last night at Herleshausen.

Family Pickets Leave Car Plant

BESSEMER, Ala. (AP)—The family picket line that shut down a big freight car manufacturing plant and left 900 workers idle has been withdrawn.

F. L. McClain, 31-year-old discharged plant guard, said yesterday he had decided to let his dispute with the Pullman-Standard Car Manufacturing Co. be settled through regular grievance channels of the CIO United Steelworkers.

His picketing, aided by his 26-year-old wife and two of their small children, interrupted operations of the plant Wednesday and closed it completely Thursday.
