

Langell Center Holds Meeting

LANGELL VALLEY — The Langell Valley Farm Bureau Center held its regular meeting at the Lorella Community Hall Tuesday September 20, at 8 p.m. President Art Monroe conducted the meeting. Minutes read by secretary Verda Urbach. A financial report was given.

There was no report on the last county meeting and installation held at Joan's Kitchen September 5, as no one from this center attended.

A discussion on the federal plan of re-appointment of State Legislative Assembly (one senator per county, and house of representatives by population). Motion made

and carried to go along with the Oregon Farm Bureau Federation on this issue.

Art Monroe reported that he heard wildlife association had planted millet on the edge of Clear Lake for ducks to feed on and that millet is spreading from the irrigation water making it necessary to clean out ditches each irrigation. The matter will be looked into and a report made later.

Louis Randall reported that the Oregon Cattlemen's Association is trying to establish a beef commission which would be a lot like the wheat commission. He also stated that brand inspection fee has been lowered to 25 cents.

Peter Hricak reported that by January all milk producers will be required to have milk tanks, and the smallest tank costs \$1,500.

Coffee was served after the meeting. Next meeting will be at the Lorella Hall October 18 at 8 p.m. Members are urged to attend.

Chiloquin PTA Holds Meeting

CHILOQUIN — Joe Jackson, president, called the first meeting of the Chiloquin Parent Teachers Association to order on Thursday evening, rather than on the usual second Monday of each month, an order which will be followed throughout the remainder of the year.

Assisting officers this year will be Mrs. Earle Wilcox, vice-president; Mrs. Henry Spicer, secretary; and Mrs. Manuel Ochso, treasurer. Allen Jeffries was appointed program chairman with Lloyd Peters, Mrs. Gerald Wolff, Mrs. Gail Ridenour and Mrs. Friedman Kirk took memberships during the meeting and will continue to do so anytime during the year.

The ninth grade, with George Hobbs as adviser, won the room count for having the largest percentage of parents attending the meeting. It was the first time in two years that a high school grade had won.

Foreign Ministers Begin Big Four Strategy Talks

NEW YORK (AP) — U. S., British and French foreign ministers began strategy talks here today aimed at getting concrete results from the Big Four meeting with Russia starting in Geneva Oct. 27.

They will be joined for consultations tomorrow by West Germany's foreign minister, Heinrich von Brentano, due here today by plane from Bonn. They hope to map a program the Russians will accept.

U. S. Secretary of State Dulles came back from talks in Canada on U. S.-Canadian trade and economic light to join British Foreign Secretary Harold MacMillan and French Foreign Minister Antoine Pinay for at least two days of concentrated talks.

The Big Four had before them in the Presidential Suite at the Waldorf-Astoria Hotel a working program of strategy tying in some kind of European disarmament and security pledges with a drive to unify East and West Germany—and to

hold Germany in the North Atlantic Treaty Organization despite Russian opposition.

The plan was developed at council levels in Washington last week, with the Germans sitting in. But almost on the eve of the long-planned parleys here, there were three developments:

Soviet Foreign Minister V. M. Molotov introduced again in the U. N. the Soviet package plan on disarmament, a nuclear weapons ban, German reunification outside of NATO, and demands for all countries to give up foreign bases.

Soviet Premier Bulganin sent Eisenhower a letter throwing cold water on his proposals for the United States and Russia to exchange aerial inspection to avert surprise attack and to provide the first step in building up confidence which might lead to actual disarmament.

President Eisenhower had a heart attack.

Diplomatic sources were unwilling to speculate on how these developments will affect the plan before them, although some Western sources said that things were pretty well worked out and there should be no difficulties.

Thursday, November 17, was chosen as the date of the second annual Dad-Daughter Banquet which will use the 1955 birthday theme, "Let Freedom Ring" for its decoration and entertainment scheme.

The second annual Grand Council Fire for the Chiloquin area will be held Thursday night, May 24, 1956. Preparations for that will continue throughout the winter months.

Mrs. Naomi French, executive Camp Fire director of the Klamath area, was present for the meeting from Klamath Falls.
