

U.S. NAVY RECRUITER Chief Quartermaster Douglas De Wees, right, has recently been reassigned to submarine duty after several years duty at the Klamath Falls U.S. Navy recruiting substation. De Wees was officially relieved on Friday, September 30, by Chief Boilerman Laurence Cuffel, left. De Wees and his wife Adel were honored by a pollack dinner recently held by the Klamath Sportsmen's Association. The recruiter has served as vice president of the organization. Chester Smith, torpedoman first class, will assist Chief Cuffel at the recruiting station.

GOP Beams Appeal Direct To Individual Laborer On Assumption Of Pay Gains

By EDWIN E. HAANKINSON
WASHINGTON (AP) — Republican leaders today aimed a vote appeal directly at individual laboring men and women rather than at organized labor as a group.

"This administration believes that each worker is an individual," a campaign document of the Senate Republican Policy Committee said. "This administration does not look at workers as a class apart."

A six-page section of the document stressed what it called "notable labor benefits" under the administration of President Eisenhower.

Malin Changes Initiation

MALIN — In the interests of safety to persons and property, students of the Malin High School have eliminated the more vigorous forms of initiation which have been used in previous years.

The new regime has seen two parties which have served as initiation, the sophomores were entertained at a welcome back party held September 17 in which all grades in the high school building took part. The next party was in lieu of a seventh grade initiation and was held the last period of school on September 22 for the seventh and eighth grades. The junior and senior classes made a trip to Klamath Falls on September 29 to inspect the new county library building. Chaperones were teachers Don Miller, Elizabeth Chatwood and Norma Petrak.

The first issue of the monthly school paper is scheduled to come off the press Wednesday, October 5. Mrs. Chatwood and Mrs. Petrak are advisers.

The dance team of Bob and Carolyn Galati presented authentic European folk dances on the national Assembly program held Monday, September 1. There are six more National Assembly programs scheduled for the year.

"Clever gal, my Carol!"

I'm tickled pink with the smart way my Carol handles her housework. Take wood floors for instance. Most gals complain about all that scrubbing and waxing. But not my Carol! She cleans and waxes them in one easy operation with Bruce Cleaning Wax. It takes her half the time and a lot less elbow grease. And we've yet to have a guest who hasn't commented on our beautiful wood floors. My Carol and her Bruce Cleaning Wax really make easy work of a hard job. I'm mighty pleased with both of them.
