This picture, taken by Vic Sissen Jr., from Klamath Agency, who attended from this area, shows the lads on their way up Mt. Royal where they could look out over the city of Montreal.

Soldier Jailed For Desertion

BERLIN (AP)—Pvt. Tommy R. Woods, 24, of Rogersville, Tenn., was sentenced today to 33 years in prison for deserting to Communist East Germany.

A U. S. Army court-martial deliberated 25 minutes on Woods' guilty plea before passing sentence.

The penalty, which included a dishonorable discharge, was the maximum. It is subject to review by higher authorities.

Woods did not take the stand. When the court's law officer asked him if he fully understood the implications of his plea, he replied in a clear voice: "Yes, sir."

He did not appear to be shaken by the stiff sentence. He smiled and joked with spectators as he left the court, telling them, "Take it easy."

Woods disappeared from his West Berlin unit March 1, 1954, and spent 18 months in East Germany. Shortly after his disappearance, the official East German news agency ADN said he had asked for political asylum. He was returned to U.S. territory last July by Russian authorities.

In addition to being charged with desertion, Woods was also accused of associating himself with East German Communist organizations which advocate the violent overthrow of the U.S. government, and with urging Pvt. Gerard R. Pepin, of Auburn, Maine, in January 1954 to desert and affiliate himself with Russian authorities.

Army authorities said Pepin rejected Woods' urging and has since been discharged. He was reported living in the United States.

Red Officials Inspect Homes

WASHINGTON (AP)—Ten ranking housing officials of the Soviet Union make their first step on an inspection tour of American home building methods today at a residential development in nearby North Springfield, Va.

Led by I. K. Kozullia, Soviet minister of urban construction, the Russians arrived here last night for a four-week coast-to-coast tour under sponsorship of the National Assn. of Homebuilders.

Kozullia, big and smiling, cheered his hosts by assuring them "there are no secrets among builders" and pressing them to repay the visit.

The Russians will visit Boston, New York, Fort Wayne, Ind., Chicago, Seattle, San Francisco, Los Angeles, Tucson, Houston, Austin, New Orleans and Cleveland, and return to Washington Oct. 28.
