SACRED HEART NOTEBOOK

By CAROLE ERVIN The movie, "Master of Melodies," was shown Tuesday, October 4, with the benefits going to the Sophomore Hop fund. The movie consisted of the life of composer Franz Schubert.

October marks the month of the Rosary. This month is set aside for special homage to our Blessed Lady. The tradition began when St. Dominic, saddened by his lack of success in curbing the heresy, had recourse to Mary for help in this emergency. While praying to her she appeared to him with a Rosary in her hand and bade him to preach its use to the faithful. He obeyed and the Rosary met with marvellous results. This custom was repeated every year just as it is today.

Students will spend an hour of devotion to the Blessed Sacrament at Holy Hour October 6.
