

PCC Teams In Action

Badgers, USC In Spotlight

By THE ASSOCIATED PRESS
Pacific Coast Conference football teams send their talent into interleague and interconference clashes this week with top attention nationally focusing on Southern California-Wisconsin and Washington-Baylor.

Wisconsin's undefeated Badgers were due in Los Angeles Thursday favored to add the once-defeated Trojans to their list of victims.

The Badgers, rated a strong dark-horse for the Rose Bowl, will work out in Memorial Coliseum for Friday night's interconference clash with USC.

Trojan Coach Jess Hill, striving for a formula to put his team back on the winning track following last week's surprise 0-7 loss to Washington, named veteran fullback Gordon Duval to his starting lineup.

However, it was rumored he may switch to speedy C. R. Roberts, the Trojans' hard-hitting 210-pound sophomore fullback. Roberts leads USC in rushing but has less experience than Duval.

The rest of the Pacific Coast Conference goes into action Saturday.

Washington's surprising Huskies, unbeaten, plan an aerial game against Baylor at Seattle. Followed by a long workout on new patterns. Coach John Cherberg said he is trying "to establish a firm aerial game in which we have confidence."

He said the big problem is to prevent the Husky offense from becoming static and relying on the team's strong defense.

At Portland, the weatherman says it still is too early to predict whether there will be a dry field for Saturday night's game between Oregon and California. The Bears leave for Portland Friday night.

Oregon State's Coach Tom Prothro voiced fears that injuries will hurt his team's chances against College of the Pacific at Stockton. Six regulars are sidelined with injuries from last week's UCLA game. Prothro said, however, that fullback Joe Francis and guard Bob Bigger might play.

At Stockton, Coach Moose Myers complained that his team isn't moving the ball well enough in scrimmages.

A bruised hip is bothering sophomore Bill Steiger, one of the few pleasant surprises in the Washington State backfield, but he is expected to play against Idaho at Moscow.

At Moscow, Coach Skip Stahley said Ed Hilder, sidelined with a broken jaw, is the only Vandal who will miss the game. Guards Eivand Resa and Mike Helper returned to action.

UCLA, beaten only by Maryland and hopeful of making the Coast title a second straight year, leaves Friday for Palo Alto—19 point favorites to whip Stanford's up-and-down Indians.

Stanford drilled on pass-interception strategy that Coach Chuck Taylor hopes will stop UCLA's wide kid passer, Ronnie Knox. Knox is nursing a sore shoulder but is expected to play.

Yanks Win 4-1 Tilt
HONOLULU (AP)—Three unearned runs in the eighth inning gave the New York Yankees a 4-1 victory over the Hawaii Red Sox Wednesday night.

The Hawaiians had tied in the seventh when shortstop Billy Martin muffed a ground ball and threw wild to the plate.

Twenty-six fighters named Martinez were professionals. Fourteen were born in the United States, seven in Mexico, four in Cuba and one in Panama.

TIME OUT

"Atta boy, Junior! We knew you'd win and set a new world's record for weight lifting!"

First Night Grid Action Set By Weed

WEED — Friday, October 14, marks a great step forward in the Weed High School athletic program. The first night football game will be played in Weed this Friday night.

The lighting of the field has been made possible by the Lion's Club who have spear-headed the project, Long-Bell Lumber Company, the California Oregon Power Company, the Siskiyou Joint Union High Board and many other interested townspeople who have donated their time and effort.

A short dedication ceremony is scheduled for 7:50 between the junior varsity game and the varsity contest. Advance sale of tickets for this game and of season tickets points to a record breaking crowd.

The two teams have spotty early season records, but can be expected to go all out for this first night game. The Dunesmire team, coached by Paul Reginald, has dropped two non-conference tilts to Orland and Trinity but looked very strong against the Modoc Indians. Veteran Weed coach, Mort Kaer's inexperienced club took a 1-0 beating at the hands of the Indians but seemed much improved in defeating Mt. Shasta last week.

The winner of this game should emerge as the team with the best chance of knocking over the powerful defending champions, Yreka. The junior varsity contest is scheduled to begin at 6 o'clock and the varsity game will begin at 8 o'clock.

Teeing Off

WOMEN'S PLAY
Donna Sproot won the Oregon Women's Golf Association trophy last Friday at Reames Golf and Country Club by posting the best four out of six scores net. Sproot's final score was 315.

Winners in the 9 Hole Medal Play for the month of September: Nel Hancock, Winner in class A was Ida Lamb with Agnes Miller sharing class B honors.

Tomorrow, Friday, October 14, there will be an 18 hole medal play counting puts. Ladies may make their own pairings for the morning matches.

Edmonds Favors Cal, UCLA

By CHRIS EDMONDS
SAN FRANCISCO (AP)—Bruised and battered from another weekend of "upsets" which produced only 15 correct guesses in 22 West Coast games, the transplanted Midwest "expert" limps into the current week with these observations:

Wisconsin over USC by 10: The Big Ten Badgers rank 6th nationally and are ranked deeply at their 1953 Rose Bowl loss to the Trojans—and prestige and revenge plus plenty of power should add up to a victory. Wisconsin, 17-7.

UCLA over Stanford by 13: It's Stanford's week to win on its "in-and-out" program, but the bolstered Bruins aren't likely to conform to the pattern even if Ronnie Knox decides not to play. UCLA, 20-7.

California over Oregon by 3: The Bears are looking less green and more golden each week and if the polish has left some sticky fingers in the backfield the result should be close victory. California, 23-20.

Washington over Baylor by 7: The Southwest Conference Bears were lucky to nip Arkansas a week ago and will need more than Dame Fortune to keep up with the hungry Huskies after their fifth straight win, Washington, 13-6.

Washington State over Idaho by 6: Both teams are starved for a victory, but the Cougar's taste was whetted more than the Vandals' a week ago and this looks like a chance to feast for the first time. WSC, 20-14.

College of Pacific over Oregon State by 1: COP's rough-tough Tigers appear about ready to break out of their cage, but the Beavers are no push-overs and this one may be tighter than new shoes. COP, 14-13.

Tiger Jones Tops Andrews, Eyes Robinson

MIAMI, Fla. (UP)—Middleweight contender Ralph (Tiger) Jones, who licked Al Andrews in their TV-radio fight here Wednesday night, began maneuvering today for a title shot.

"Get me Ray Robinson and then champion Bobo Olson," said the seventh-ranked contender from Yonkers, N.Y. "I can beat Robinson again and I'll knock out Olson in six or seven rounds."

He was positive he must fight ex-champ Robinson again to get the crown, "whether Sugar Ray wins or loses in his title fight with Olson at Chicago on Nov. 4."

Despite Jones' personal yen for a bout with Robinson, it was learned that his handlers were negotiating for a possible clash with Rocky Castellani of Cleveland Ohio, the third-ranked middleweight contender, in New York or Miami in December.

Jones, who won a unanimous 10-round decision over Andrews of Superior, Wis., admitted that Olson had outpointed him earlier this year in an over-the-weight match.

"But let him pare down from the 166 he weighed for me to 160, and I'll knock him out," he said.

The Tiger didn't knock out speedy Andrews Wednesday night, but he had him clutching groggily and ready for the canvas in the last round, after staggering three times in earlier sessions.

Brown Becoming Top Trader In Pro Sport

By EARL WRIGHT
United Press Sports Writer
Paul Brown, the man in the brown suit who is a coach, general manager, club director and vice-president for the Cleveland Browns, also has another important job. He may be pro football's shrewdest trader.

In pro football's annual draft of college stars, the champion always picks last. Brown's team—always a league or division titleholder—has picked last or next-to-last every year since it was organized in 1946.

Pels Host Medford For Cross Country

Klamath Union High School trackmen host runners from Medford Friday afternoon at 4 o'clock in a cross country meet slated for Modoc Field. This will be the first of two scheduled cross country jaunts by coach Len Surles.

A field of a mile and a half to two miles has been laid out by Surles for the Pelican and Toronado cindermen.

Ore Tech Owls Seek First Win In Battle With Boise

Oregon Tech's Owls, battered and bruised, set their sights high again this Saturday evening as they meet the always tough Boise Junior College Broncos in a non-conference gridiron battle on Modoc Field.

Coach Rex Hunsaker's chargers are still recuperating from the 60-7 shellacking dealt out by Compton's Tartars last Saturday, and may find the Boise squad just as tough come this week's opening kickoff.

In the last junior college ratings, Compton was number one. Boise in sixth spot. The difference of five places definitely means Boise is a national power among the small college ranks.

So far this season Tech has found it impossible to reach the victory trail as they have dropped three straight tilts. Boise on the other hand has rolled over three opponents for a 3-0 record. The Broncos mark established last year was nine wins against one loss and a tie. The tie was a 7-6 defeat at the hands of Compton in the Potato Bowl game at Berkeleyfield, California.

WON 33-7
Last year Boise won over the Owls 35-7 at Boise, and in the five games played between the two schools so far, the Broncos have found the Owls an easy victory. Results of past OTI-Boise games are as follows:

Year	OTI	Boise	Winner
1954	7	35	Boise
1953	0	22	Boise
1952	13	14	Boise
1951	6	14	Boise
1950	6	53	Boise

If there are chances for the Owls to polish off the Northwest JC powerhouse, this is the year. Although the Owls have looked far off the beaten path, coach Rex Hunsaker still believes his Owls have yet to play to their full capability. Boise this year, is building with several freshmen and a few lettermen who didn't see too much action last year.

Coach Lyle Smith's Broncos have 18 lettermen listed on its squad, but according to Boise officials many of these boys saw little action in 1954. The brightest outlook for the Broncos is the running of freshman halfback Jim Warner and letterman fullback

Pete Suder, an infielder 13 years with the Philadelphia Athletics beginning in 1941 and going through 1954, is scouting for the Kansas City Athletics. Suder missed in the 1944 and 1945 seasons while in the Army.

Saturday night: Steelers (2-1) over Eagles (1-2); Sunday: Rams (3-0) over Packers (2-1) at Milwaukee; Lions (0-3) over Fortyniners (1-2) at Detroit; Bears (0-3) over Colts (3-0) at Chicago; Giants (0-3) over Cardinals (2-1) at New York.

METSKER'S COUNTY MAPS

The Klamath Falls Tokete e Lions Club is sponsoring this game for the Mile High Campus and members of the club will be on the streets selling tickets Friday and Saturday. The Tokete e group has also planned for an entertaining halftime program. Three triers, two of which will be entered in the National Field Trials, will be sent through their paces showing the Modoc patrons some of the fine points in dog handling and retrieving. These dogs that will show their hunting methods are Hal's Spi-Wize-Zeke, a Lab handled by Hal Shidler, Ty a Golden owned by Jim Stillwell and Sally, a Chesapeake handled by Pat Montgomery. Zeke and Ty have both qualified for the nationals to be held later this year.

George Kom, in the line, Smith's leading charge is spearheaded by tackle Tom Hale, a freshman from Milwaukee, Oregon, center Joe Chuha and guard Gordy Moore. Chuha and Moore are both returning letter winners.

MULTIPLE OFFENSE
The Broncos run from a single wing and multiple offense with a deadly passing and running attack. Directing the offensive movements for the Boise squad will be quarterback LeRoy Garland, a 180-pound freshman.

In their three victories so far this year, Boise won 46-0 over Carbon (Utah) Olympic 26-12 and last week San Jose 15-6. Boise trailed San Jose 6-0 at the half, but Kom's running and Garland's passing sparked a second half rally for the triumph.
