

**KLAMATH COUNTY GRASSMAN OF THE YEAR** Lloyd Gift (left) is shown with Rex High, a member of the board of judges, on some of his range in Langell Valley, Gift, whose selection was announced last week, is competing for the state Grassman title in a contest sponsored by the Portland Chamber of Commerce. The winner of the state contest will compete in a three-state event. The land in the photograph is extremely rocky, and was seeded by airplane. Gift said that the sod from the grass will eventually cover the rocks, and the area will become first-class range land.

### Nixon Praises GOP Prosperity

NEW YORK (AP)—Vice President Nixon says "American wage earners today have more jobs at higher wages, with greater purchasing power and less strikes than at any time in history."  
"And they have peace to boot," he adds.  
Nixon credited this to the Eisenhower administration—and what he called its "dynamic conservatism"—in a speech last night at the 25th annual dinner of the New York group of the Investment Bankers Assn. of America.  
The vice president answered what he said was an opposition effort to give the administration the political "kiss of death" by pinning "the business label" on it.  
He said that business is sharing in an unparalleled time of prosperity, and he lauded the administration's economic policies as "progressive and humanitarian without being socialistic."  
He said the Eisenhower program is designed to meet the nation's needs over a 10-year period for power, roads, schools, hospitals and slum clearance by "partnership" between the federal government and private enterprise and state and local governments.

REVEALING FACTS ABOUT human relations were outlined for a group of Southern Pacific Company employes by Hob Ferguson, modern explorer of the mind, who is employed by the railroad and many other large business organizations to iron out problems of workers. Hobson (standing) is shown in a Southern Pacific conference car lecturing a group of Klamath Falls employes. Pictured to the speaker's left are A. L. Shoupe, road foreman of engines; Helen Mick, secretary to the District Agent Tom McCarry; Barry Donnelly, traveling freight and passenger agent, and A. W. Kilborn, division superintendent.
