

## 1956 Chevrolet Shows Friday

Climaxing a sales year that promises to set new all-time records for the automobile industry, Chevrolet will introduce 1956 passenger cars Friday, November 4.

The new models will go on display simultaneously at dealer showrooms across the country. Although details have been withheld, the company has reported the forthcoming line is the most diversified in its history.

W. E. Fish, general sales manager of Chevrolet, predicted one of the company's most successful retail showings.

"This is the biggest day of the year for Chevrolet dealers," Fish commented, "and they traditionally go all out to make it a memorable occasion for the people who visit their showrooms."

"Special entertainment, decorations and favors are an accepted policy by thousands of dealers. The expense in showroom trim alone will run well over three million dollars. Dealers want to be certain that the background setting of the new cars do justice to their many improvements."

A feature at many showings this year will be demonstration rides in a duplicate of the car that clipped a full two minutes off the Elkes Peak hill climb record. The officially certified mark was set in September with a heavily disguised 1956 model.

## Plywood Show Here Tuesday

A Fir Plywood Jubilee Show, sponsored by the Douglas Fir Plywood Association, is scheduled for one day in Klamath Falls on Tuesday, October 25.

The show, which is part of the year-long promotional program being conducted by the association as a part of the West Coast Plywood industry's 50th anniversary, will be presented at the Klamath County Fairgrounds exhibit building from 2 p.m. to 9 p.m.

Displays will cover elements of the "50 golden ideas" for fir plywood construction unveiled during the industry's annual meeting in mid-June at Portland. They will include the story of markets and shipping and exhibits showing the history of the industry.

The two themes which dominate the displays are "You Can Build Anything With Wood" and "Fir Plywood is Made Here—Sold Everywhere."

## Portland Firm Gets Hangar Bid

Schenk Construction Company, Portland, Wednesday submitted the apparent low bid of \$87,649 for moving the small wooden hangar at the Klamath Falls Municipal Airport. The only other bid was submitted by the Donald Drake Company, Portland for \$88,848.

U.S. Navy Lt. D. M. Feinman, officer-in-charge of construction at the air base, said the bids were opened at 13th Naval District Headquarters, Seattle, Washington.

The development of the new jet air base made the moving of the hangar necessary. The job includes relocating all the attached facilities of the hangar as well.

## Athletic Director Addresses Club

The Sacred Heart Academy Mothers Club met Thursday evening, October 13 in the school auditorium. Final plans were discussed for the ham dinner held on October 15.

Dino Obesso, school athletic director spoke briefly on school sports activities and equipment.

Appointments for the annual bazaar were made as follows: Mrs. Jack Duracha, snack bar; Mrs. D. Hefley and Mrs. Roy Kann, religious articles booth and Mrs. Clay Thomas, candy booth. The parish bazaar will be held Friday and Saturday, November 18-19.

## SACRED HEART NOTEBOOK

By CAROLE ERVIN

After an 11-day rest the Academy Trojans will tangle with the Merrill Huskies. The pigskin will be kicked around Saturday, October 22, at the Merrill field. Playing time will begin at 2 o'clock.

Delicious odors drifted from the door of the sophomore room. The reason being a variety of cakes for the coming cake sale October 22. All money will go to the Sophomore hop fund. The annual Sophomore Hop will be held on November 11.

Pep Club members welcomed Norma Harrington who is taking the place of Theresa Profit. Theresa is continuing her schooling in San Francisco.

The United Fund drive has become the object of competition between the various classrooms. At present the freshman class is ahead. A clever graph consisting of dauchunds who tend to grow longer shows the progress made by each room.

The second music class recital of the season will be held Saturday afternoon at 3 p.m. in the school auditorium. Parents and interested friends are welcome.

The Mothers Club deserves much praise on the excellent ham dinner they served Saturday, October 15 in the Sacred Heart Gym. The attendance was exceedingly high and serving was continued from 5:39 to 8:30. All proceeds are to go to the Athletic Fund, both high school and grade school.

**RECORD MARRIED**

CHELSEA, Mass., (AP)—Less than 24 hours after the city received two safety awards for having had no automobile or pedestrian fatalities since 1953, Mrs. Agatha Baris, 68, was killed by an automobile. The city had been cited Tuesday by the American Automobile Assn. and the Massachusetts Registry of Motor Vehicles.

**FOUR CHEMULT BOYS** earned their "Keep Oregon Green" Guard badges which they received at ceremonies held in the lobby of the Chemult Hotel recently. Billy Taylor, left, bottom row, and Norman Masten, left, top row discovered a fire burning just north of Chemult and promptly sent word to the Crescent Ranger Station. The boys recruited Denny Jessup and Jackie Vanmeter and were all working at the fire when forest service men arrived. Shown here are, bottom row, from left: Billy Taylor, Denny Jessup, Jackie McKenzie and Mathew Koski (the latter two had already won their guard badges for locating and assisting with fire control); to prove: Norman Masten, Tom Greathouse, Forest Service ranger, and Al Koski, assistant ranger at Crescent. Greathouse and Koski made the award presentation to the four boys.

## Inventory System Boosts Klamath Timber Production

PORTLAND — The planned annual timber cut on some 480,000 acres of Klamath Indian Reservation lands is approximately 30 percent greater today as a result of a tree-growth inventory system developed by Earl R. Wilcox, forest manager for the Klamath Reservation.

Forester Wilcox described his technique in detail at the 55th annual convention of the Society of American Foresters meeting in Portland this week featuring the program theme "Converting the Old Growth Forest." More than 1,000 professional foresters from all over the United States are here to discuss latest developments in professional forestry.

"This greater annual cut represents an increase of several hundred thousand dollars in the annual stumpage payments to be de-

to assemble, correlate and interpret data in older statistical methods.

Cutting in the 590,000 acres of tribally owned merchantable timber started on a large scale in 1916. The first cutting cycle is planned for completion in 1963. Average volumes per acre in the reserve stand have increased from 3,600 board feet an acre in 1946 to 6,500 board feet in 1953.

## Formosa Planes Drop Propaganda

TAIPEI, Formosa (AP)—Nationalist Chinese planes Wednesday night staged what appeared to be one of its biggest airdrops on Red China.

Air force headquarters said they flew over Kiangsu, Chekiang, Kiangsi and Eukien unloading 25 tons of rice, several tons of socks, towels, underwear and other useful articles, and millions of copies of a Chiang Kai-Shek propaganda message.

## House Leader Says Second Term 'Just What Ike Needs'

WASHINGTON (UP)— House Republican Leader Joseph W. Martin Jr. thinks another term in the White House may be just what the President needs. He says it might be less of a strain than spending four years on the Gettysburg farm.

The Massachusetts lawmaker told newsmen he is advised that the President will be "fully recovered" from his heart attack. He said Mr. Eisenhower could win next year in a walk with no real campaign and "with no strain at all."

"Three or four television and radio programs and that would be it," Martin said. "There would be no strain at all."

There has been general speculation that Mr. Eisenhower, although making satisfactory recovery from his ailment, would take himself out of the race on the ground another term would be too strenuous.

He pointed out that as president Mr. Eisenhower will get the best of care and can take what precautions are necessary. On his own as a farmer, he said, the President might well overdo.

Martin was asked if he had any direct information from Denver to support his optimism about the President's health. "Yes," he replied. "They tell me he's going to be well — fully recovered."

In other political developments: Texas Democratic Gov. Allan Shivers, an Eisenhower supporter in 1952, indicated he would vote Democratic in 1956 if the party

nominates "a man I can support." He indicated Adlai Stevenson was not that man.

Shivers suggested that Stevenson

nominate Sen. Estes Kefauver (D-Tenn.) in the California preferential primary. He said he believed Kefauver would win that contest.

### WEISFIELD'S

## SIMULATED PEARLS

Priced At Only **1.00** AND UP JUST ADD TO YOUR ACCOUNT

- By Duchess
- In Many Styles
- Lavish Designs

A special purchase permits such quality at so tiny a price. And all have rhinestone clasps.
