

THIS DOE is the eighth deer to be killed illegally in the vicinity of the north end of Stukel Mountain this season. This animal was killed on the Ed Born ranch, adjacent to the Harold Dehlinger ranch, where the other deer were killed. Oregon State Police have arrested Manuel Kazes, 18, of Klamath Falls, on a charge of shooting deer from the paved highway, and are investigating a juvenile for shooting deer at an illegal hour. Kazes also faces a charge of hunting migratory waterfowl out of season, and will be tried in district court on both charges.

Murray Urges McKay Firing

HONOLULU (AP) — Sen. Murray (D-Mont) said Wednesday it would be "a good thing for the country if Secretary of the Interior Douglas McKay is fired."

Murray, chairman of the Senate Interior and Insular Affairs Committee, arrived for a vacation and "a reappraisal of the Hawaii statehood situation."

Murray said in a shipboard interview "McKay is not the right man for the job." He accused the interior secretary of favoritism to business and industry.

"We should have a man who is free and independent and willing to do a job in the best interest of the development of the country," he said.

The 79-year-old senator also was critical of his 1954 opponent, Wesley D'Ewart, who earlier this month was named to a recess appointment as assistant secretary of the interior.

Murray said he would oppose D'Ewart's confirmation when Congress reconvenes "because he is not qualified for the job."

Hawaiian statehood could be approved by the next session of Congress, Murray said, "if the administration would withdraw its ill-founded opposition to a fair deal for Alaska."

He said he is open minded about separating Hawaii and Alaska when the statehood question comes up for consideration. A bill combining the two territories was sidetracked in the last session.

COTTON INDUSTRY
TOKYO (AP) — Japan's cotton spinning industry was halted Thursday by a strike of 140,000 workers seeking a wage increase averaging \$2.80 a month. About 80 per cent of the strikers are women who average \$25 a month salary. Men get about \$52.

CURTAIN ASIDE
DUBROVNIK, Yugoslavia (AP) — Russia is drawing aside a corner of the Iron Curtain for 250 of her people who will visit Yugoslavia later this month. It is believed the mass tour will be the first such by Russian civilians since the end of World War II.

NEHRU ADVISES
NEW DELHI (AP) — Prime Minister Nehru has some advice for tourists going abroad. He told the International Union of Official Travel Organizations that people

should travel "with receptive, friendly minds—as ambassadors of good will, first of their countries when abroad, then of the countries they visited when they return home."
