### Milly's Mirror

NINA SWANEY — the gal who practically disappeared after she left her Main St business address— For those who have asked where she is and don't even know she's back from her summer trip to Missouri etc — She's out at the Hugh Swaney residence on Lakeshore Drive and having a grand time doing I guess what you'd call "WATER-WATCHING" — And upper Klamath Lake — where she just gets comfortable by a window and lets the scenery do the rest — is ideal for water-watching. The picture changes often and the hours fly by. I know it's relaxing, pleasant and fascinating — after countless hours doing just that on the same lake — only up Rocky Point way.

SPEAKING OF Rocky Point — Chet and Lou Carlstrom at the Frontier Guest Ranch — on the Rocky Point Road — just past the Lake of the Woods-Rocky Point Junction — are having a Halloween party for their growing community of summer home lot owners — Games — prizes — food etc — and something very SPECIAL for the owning guests too — It'll be Friday Oct 28 from 6 to 10 p.m. for the families — last year the Carlstroms had a brush burning party — a good way for the neighbors to get acquainted.

THE SOCIAL CALENDAR is pretty well filled up with sassy events — including the BIG Shrine dinner-dance Nov 5 — the costume caper at Reames the 29th of Oct — the Yacht Club "Shipwreck" dancing party November 12 — and the usual this and that — dinners and cocktail parties at home and away from home and so forth.

ABOUT THIS TIME every week I reach the stage where I can't spell "cat" — and I'm SURE that NO one ELSE can either! At this

moment — I am looking at a list of words — an even dozen took no effort to recall from the many which are constantly misspelled — I know my grammar ain't so good — and I just HOPE that this list doesn't get sabotaged between here and the pressroom — I HATE to go around with a red face — ESPECIALLY MY OWN! Well here it is — wiener is nearly always spelled wiener — a good cure for

that is to remember Vienna — marshal comes in with 2 L's — in lodge items — only when referring to a family name does it have a double-ell — chaplain seems to be confused with Charlie Chaplin — ceremony is often ceremony — and the things that happen to miniature!! — miniature, miniature — have even seen it ending in er-Bible is written with a lower case

"b" — and the words alter and altar are switched in spelling and meaning until it's a tussle between church and dress-making shop — initiated is written initiated or in-ated — and bouquet drops the "u" and corsage has even become courage — worn like a "badge of" no doubt — accordion is accordian — and according to the dictionary that's WRONG! (Proof-readers have pity!).
