MRS. KATHLEEN WARD

Then . . .

Male globe-trotters, such as Marco Polo, Columbus and Sir Francis Drake have been lauded in song and story down through the centuries.

But adventurous women who have answered the call of distant horizons and braved the briny deep and wild blue yonder have received scant recognition, except perhaps for Mrs. Eleanor Roosevelt and a few movie stars.

In the event people who hand out laurels ever decide to give their just dues to members of the fair sex who have broken the

Girls' Clubs Plan Dinner

CHILOQUIN — "Let Freedom Ring" will be the theme of the second annual Dad-Daughter banquet given by the Blue Bird, Camp Fire Girl and Horizon Club organizations of Chilquin - Fort Klamath. The affair will be held Thursday night, November 10, in the Masonic Hall.

Plans were made for the banquet and for other local activities when the Leaders Association held a meeting at the home of Mrs. Dwight Kircher Wednesday, October 19. The business session was led by Mrs. Gerald Wolff, president.

It is hoped that the second grade Blue Birds will be organized by next week rather than continue to meet with the third graders. Mrs. Bill West will be the leader and Mrs. Ray Baldwin her assistant. Mrs. Lewis Jones and Mrs. Manuel Ochoa lead the third grade group and Mrs. Remo Minato and Mrs. Allen Hatcher are the leaders for the fourth grade. The fifth and sixth grade Camp Fire Girls have Mrs. Gerald Wolff and Mrs. Earl Hall as guardians. Mrs. Dwight Kircher and Mrs. Victor Sisson lead the seventh and eighth grade Camp Fire Girls. The Horizon Club is being started by Mrs. W. B. Heseock, Fort Klamath, but they hope to find additional leadership.

Mrs. Jones showed a simple placecard which could be made to resemble a girl and was cut from a folded envelope.

Guests were Mrs. Lawrence French, county executive director for the Camp Fire Girls, and Mrs. Charles Johnson, assistant in the county office.

shackles of work-a-day existence and journeyed to the world's out-of-the-way places, Klamath Falls has a candidate.

DOWN THE NILE

She is Mrs. Kathleen Ward who already has toured South and Central America, Europe and next month will embark on another trip which will take her 2,100 miles down the Nile River and to the Holy Land and Greece.

Mrs. Ward would feel just as much at home in the Taji Mahal as the Klamath County Courthouse. To her, travel is the spice of life.

Before she started her global tours, Mrs. Ward saw America first. Despite all the alluring places she has seen, she still believes the United States has them all beaten.

Mrs. Ward was born Kathleen

Now . . .

Olive Millsap in Fredericktown, Missouri. She started traveling at the age of nine when her family left the little Missouri town on the edge of the Ozark Mountains and moved to Santa Barbara, California.

Out of Missouri she took the state's famous "show me" trait. Speaking in the vernacular, she has been shown plenty in all parts of the world.

BUSINESS CAREER

After spending her early girlhood in Santa Barbara, Mrs. Ward went to Los Angeles where she had a successful business career. She worked for 10 years in the stationary and leather goods department of Bullock's Inc., Los Angeles' leading department store. Matrimony entered the picture and she became the wife of Clarence P. Ward. In 1947, they moved to Klamath Falls where her husband became associated with Ward's Klamath Funeral Home.

Mr. and Mrs. Ward have two children, Clarence W. Ward of Long Beach, California and Mrs. Rosemary Janz of Eugene. After her four-month Asian trip, Mrs. Ward plans to visit England, Ireland and Scotland as well as many countries on the continent. Then she will return to the United States by the polar route from Copenhagen to Los Angeles.

Asked how she likes flying, Mrs. Ward said: "I aspire to be the first housewife on the first rocket ship to the moon."

Scout Leader Announces Plans

CHILOQUIN — John Heilbroner, newly-appointed scouting head for the Chilquin - Fort Klamath area, announced this week that the Boy Scouts and Cub Scouts will be reactivated before the end of October. Frank Clinton, a newcomer to Chilquin but an experienced Scout leader, will be scoutmaster and already has between 12 and 15 boys interested in continuing Scout training.

Victor Sisson, Klamath Agency, the Rev. Edmund Stanton, George Hobbs, and John Mannering have already been working on the local adult committee and others will be recruited.

Den mothers for boys from 8 to 11 are being sought. Last year there were three active dens but all three mothers are unavailable this year due to illness, moving, and attending college.

The first meeting of the year was held recently at the Youth Center. Victor Sisson Jr., Eagle Scout, Klamath Agency, showed slides of his trip to the World Jamboree of Scouts which was held in August in Canada.

Mrs. F. S. Nobles, Lake Hotel, Klamath Falls, received word Friday of the death of her older brother, Henry H. Scoggins, 87, in McAlester, Oklahoma.
