

Siskiyou Bureau Gets New Name

WEED—The name of the Siskiyou County Home Department was voted changed to Farm Bureau Women at a combined meeting of the Edgewood Home Department and the Siskiyou Valley Home Department of Montague, held Tuesday, October 19 at the Edgewood Farm Bureau Hall. Mrs. Eldon Hoy, Weed, chairman of the department group, conducted the meeting which was preceded by a covered-dish luncheon.

Mrs. Gertrude Studer, home demonstrator of the extension service, headed the list of speakers and outlined the activities planned for the coming year. Mrs. Mildred Flock, Montague, reported on her recent attendance at the Governor's Conference on Education held in Sacramento. She attended as a delegate of the Siskiyou County Farm Bureau.

Mrs. Oliver Solus, Weed, chairman of the Edgewood Home Department, announced that a public card party, first in a series to be sponsored by the Edgewood Farm Bureau, will be held at the Edgewood Farm Bureau Hall Saturday night, November 5, proceeds of which will go to the building fund of the Edgewood Farm Bureau Hall. Grand prizes will be awarded at the conclusion of the series of parties, Mrs. Solus stated.

The program for the afternoon meeting included a reading by Mrs. Ralph Leavers, Montague; two tap dance routines presented by Janet Mazzel, Weed; and the showing of a film, "Human Rights."

SPECIAL SAAR SESSION
SAARBUECKEN, Saar (P) — President Peter Zimmer Tuesday called a special session of the Saar Parliament for Friday when Premier Johannes Hoffman is expected to submit his resignation formally. Hoffman lost out in Sunday's plebiscite which showed that Saarlanders are against Europeanization of their rich coal-steel basin.

The railroad requested the state public utilities commission to cancel the permit, issued in August. If potential customers of the truck line determine that there is justification for the service, another application to the PUC will be made.

Railmen Abandon Short Truck Line

McCLOUD—A plan to establish a subsidiary short-haul truck line between Burney and McCloud has been abandoned by the McCloud River Railroad Company. Reason given by railroad officials is the great number of private truck lines serving the area.

The railroad requested the state public utilities commission to cancel the permit, issued in August. If potential customers of the truck line determine that there is justification for the service, another application to the PUC will be made.
