

MRS. MELVIN A. BOWMAN

Church Women Build Fund

LAKEVIEW — Members of the Presbyterian Women's Society earned over \$500 for their annual Experience Social, announced Mrs. C. W. Julier, president.

Every fall, each member invests one dollar and at the annual soiree turns in her profits with an account of the way she earned her money.

One member told how she bought \$1 worth of cake ingredients and started on her cake making business; another sold her homemade candy and a foursome cooked special dinners.

One woman earned her money by painting window sills in her house herself instead of paying a painter. Baby sitting fees were turned in by several members.

A generous check was given by another who said she had decided to give \$5 for each of her blessings but she found she had so many she had to set a \$1 limit.

A large percentage of the money will be used for the church's building fund, said Mrs. Julier.

Family Night Planned By SP

Southern Pacific officials have set the railroad's final "Family Night" for next Tuesday at 7:30 p.m. in Mills School Auditorium.

Featured on the program will be Herb Ferguson, nationally known human relations expert. Baby sitters will be provided at the school.

All Southern Pacific employees are urged to attend.

New Flower Judge Named

Mrs. Melvin A. (Eva) Bowman of Merrill has been notified that she has qualified as a national flower show judge, based on the successful completion of five study courses and a reading examination. Her credentials were authorized by the National Federation of State Garden Clubs.

She is the first accredited flower judge to be appointed in this area.

Word of her appointment came from Mrs. Carl Gregg, Eugene, state flower show school chairman. Mrs. Bowman can now officiate at any standard flower show in the United States.

Her credential will make it possible to stage local standard flower shows without the expense of importing judges.

Mrs. Bowman is a member of the Lost River Garden Club, Merrill.

Rotary To Hold Ladies Night

DUNSMUIR — November 9 was set as the date for Rotary Ladies Night by the Dunsmuir Rotary Club at its luncheon meeting Wednesday. The event featuring dinner and entertainment will begin at 7 p.m. at the Dunsmuir Hotel, Robert Duclaw, Robert Kenoyer and William Murphy were appointed as a special committee for this event.

The speaker at Wednesday's luncheon meeting was James Hogan, principal of the McCloud Elementary School, who told of his participation in the recent conference on education in Sacramento called by Governor Knight.

Al Kilborn, superintendent of Shasta division of the Southern Pacific, was welcomed as a new member at the meeting. The day was also the birthday anniversary of J. Smith, president, and he was appropriately remembered with a birthday cake.

Girl Scout Meeting Held

WEED — Mrs. Dysart Scribner assumed the duties of town chairman for the Girl Scout organization at a meeting of the leaders and committee chairmen of Girl Scouts and Brownies on November 2 at Weed Court Club.

Further coordination of the activities of the various troops is planned through stated meetings to be held the last Wednesday of each month for leaders at Mrs. Scribner's home.

A special meeting of all Girl Scouts and Brownies will be held Wednesday evening, November 9, from 7 to 8 p.m. at the Weed Court Club. A special holiday project is planned for the collective group which will include the making of Christmas wreaths and decorations. The proceeds from their sale will be divided among the troops for future activities.

School Head Said Success

BLY — Approximately \$400 was cleared at the annual school carnival held Saturday evening, October 29, it was announced by James Chance, school principal. The total fell below last year's proceeds because a small crowd attended, he added.

Sharon Melsness was named carnival queen and Jack Dillavou king of the event. Runners-up were Lela Chronister and Nejd Hurtado. Gifts were presented by Bly Lumber Company, Tikkanen's and others.

The Aladdin magic lamp went to Billy Nixon; the deluxe fisherman's outfit to "Grandma" Effie Barkley of Beatty; the big grocery basket went to Mrs. Rod Hadley who also took home the live duck, and the small basket went to Mrs. Don Cox.

Proceeds going to the Parents-Patrons Club totaled \$131, Chance said.

Chemult Women Ask Club Costs

CHEMULT — The Chemult Women's Improvement Club voted last week to ask John Seuhman of Oakridge for an estimate on the cost of enlarging the clubhouse to 250-persons capacity.

Discussion at the last meeting also included the possibility of changing the club's constitution to allow men members and changing the name to Community Club.

Mrs. Richard Clauson, president, announced that the club will handle the United Fund-Red Cross drive this month.

USAF Recruiter Wins SF Trip

Air Force Recruiting Sergeant Don Adams of the Klamath Falls office has won a three-day trip to San Francisco with all expenses paid for being the top recruiter in the state of Oregon in July, August and September.

The Klamath Falls office will be closed Monday, Tuesday, Wednesday and Thursday of this week. During the three month period, Adams signed up 42 men into the Air Force. Since he came to Klamath Falls in February, 1954, he has enlisted more than 260 men, he estimated.

Adams said that if these figures held true in Klamath Falls during the period before he got here, Klamath Falls probably has more men in the Air Force than most cities of its size.
