OUR BOARDING HOUSE With MAJOR HOOPLE

OUT OUR WAY By J. R. WILLIAMS

—AND EVERY YEAR, THIS ANNOUNCEMENT REMINDS WASHINGTON OF ONE—

WATCH OUT AT ALL POINTS OF U.S. ENTRY!!

The Bald Iggle is the national emblem of lowest Slobbovia.

It is a greater menace to civilization than the Creature from the Black Lagoon or the Monster With the Atom Brain!!

When you look into its big brown eyes, you must tell the truth!!

This, of course, makes it impossible to carry on any courtship, many businesses, and most political speeches.

Don't let it in!!—Remember—the life it ruins may be your own!!
