George Christopher Takes San Francisco Mayoralty

SAN FRANCISCO (UP)—Superior George Christopher won a landslide victory over George R. Reilly, member of the state Board of Equalization in yesterday's mayoralty election. Returns from all 1300 precincts showed Christopher, a Greek-born dairyman, polled 158,244 votes to 75,824 for Reilly. Christopher, 47, said he was "very grateful and humble" for his victory. He was an unsuccessful candidate for mayor four years ago, losing to Elmer E. Robinson by a scant 2600 votes. Christopher is a Republican. Reilly said he was "leaving the political battlefield to run another day."

French Name New Morocco Chief

PARIS (AP)—France Wednesday named Andre Dubois, the police chief who silenced the motor horns of Paris, as its top man in the turbulent North African protectorate of Morocco. Dubois succeeds Lt. Gen. Pierre Boyer de Latour du Moulin, who has made it plain that he does not want to stay for the return of Sultan Mohammed Ben Youssef. Boyer de Latour had promised French colonists that Ben Youssef would never return from exile.
