HOWARD R. PERRIN ARCHITECT
KLAMATH FALLS, OREGON

THE NEW INFIRMARY AT THE KLAMATH FALLS JET INTERCEPTOR BASE will be built from plans drawn by the office of Howard Perrin, architect, Klamath Falls. The bids will close on the building December 23 at 2 p.m. The building is a six-bed one story building 34 by 100 feet of concrete masonry

construction. For information on the bidding contact U.S. Navy Lt. D. M. Feinman, resident officer-in-charge of construction at the Klamath Falls jet interceptor base.

Bazaar Dinner Plans Changed

MERRILL — St. Augustine's annual bazaar scheduled for Saturday night will begin at 6 o'clock

with serving until 8:30 instead of 6:30 to 8 o'clock as stated previously.

The smorgasbord, arranged by Mrs. Don Harris and Mrs. John Madden will include ham, turkey, chicken, meat balls, salads, baked beans, cakes and pies.

Concessions are headed by Mrs. James Hammond, Mrs. John O'Neill, Mrs. Toby O'Keefe, Mrs. Pete McFarlane, Mrs. Don Harris, Mrs. Andy Bruner, and Katherine Ahern.

There will be a special booth from Bonanza Altar Society.

GETS TICKET ANYWAY

SALT LAKE CITY — Officer Kent L. Martin stopped a motorist and started to write out a ticket for a traffic violation last night. He said the motorist asked for leniency, saying he had voted in favor of a proposed raise for Salt Lake policemen and firemen Tuesday

in the municipal election. So Martin says he sent the motorist on his way with a big smile—and the ticket.

Fair Share Chiefs Plan Broadcast

An Operation Fair Share "victory broadcast" will be aired Friday night at 8 o'clock, Wing Commander Bob Beach announced Wednesday.

The broadcast will pay tribute to firms which have shown outstanding participation in the 1954 United Fund - Red Cross campaign, and will provide an opportunity for all squadron leaders to make their final reports to send Operation Fair Share over the \$129,627 target.

Beach said several county areas are planning final events in order to be able to telephone results during "Operation Air Waves."

"It is hoped that all out of town business firms will be reported in prior to the broadcast," Beach stated. He added that the hour-long program is planned so that anyone who has had no previous opportunity may telephone their pledges to the central broadcasting scene at the Pacific Telephone Company. Plans have been made for a convoy of radio equipped cars (supplied by ham radio operators) to stand by to pick up last minute pledges and contributions.

The program will be broadcast simultaneously by KPJI and KFLW "because of the importance of the victory anticipated in this community enterprise that has involved hundreds of volunteers and thousands of investors," Beach said. "Each person in the county has an opportunity to invest his fair share in this united way of meeting community needs."

Student's Lost Purse Returned

A purse containing \$85 in cash and valuable personal papers and records, lost on the parking lot at the Oregon Food Store on Oregon Avenue was returned intact to its owners by the finders.

Margaret Huntsinger, Klamath Falls OTT student, bought groceries at the market and on leaving the store dropped the purse.

Later, Mr. and Mrs. Asa Miller of Chiloquin arrived to shop. Mrs. Miller discovered it when preparing to leave the parking space, looked up the owner through a relative and returned the purse to Mrs. Huntsinger.
