

LILLY DACHE features a fanciful "Winter Wonderland" of Christmas gifts that include all the wide range of perfumes and colognes in the Lucien Lelong fragrances. The snowman looks with envy on the ermine-tail hat by Lilly Dache and the costume from Lilly Dache Boutique. Christmas shopping this year is going to be a gorgeous adventure and we are fortunate in Klamath Falls in having all the leading lines to choose from.

HOT BATH

Scientific tests have completely exploded the old theory that it is dangerous to bathe before going out in the cold. Dress properly for the weather and bathe whenever you need to or whenever you just want to.

SHREWD SHOPPING

One step toward becoming an efficient shopper is to look for and buy washable fabrics labeled "vat colors" or "vat dyed." This identification indicates that the color has actually penetrated the fibers to become an integral part of the fabric instead of merely being applied to the surface. That's why vat dyes retain their rich depth of color and look almost like new after innumerable washings.

SAUSAGE STUFFED sweet potato makes hearty fare. One half-pound package of the new Brown 'n' Serve sausage (Swift & Company), will make 5 servings. Wash and scrub sweet potatoes and bake at 450 degrees about 45 minutes. Cut a lengthwise slice off the top of each potato; mash insides lightly with fork; add 1 teaspoon brown sugar, 1/4 teaspoon salt and 1 tablespoon butter to each potato and mash into potato. Place sauce links on top of each potato and return to 450 degree oven for about 10 minutes to heat and brown the sausage.
