"Where it pays to take
your time—and ours—in
buying your child new shoes."

THE FIRST STEP

Our fitters—plus Little Yankee TODDLERS—can help you make
sure those first shoes will really fit those tiny feet. Toddlers are de-
signed to let little feet grow as nature intended: they faithfully fit the
form of the foot everywhere. And our expert fitters are never "too
busy" or too much "in a hurry" to give you the personal, patient
attention those precious feet deserve!
