HEIST

SEEKONK, Mass. (AP) — Thieves used their victim's own truck and hydraulic lifting equipment in stealing a 1,000-pound safe containing \$9,000 from Bove Motors garage yesterday.

Police said the thieves used a crane and two hydraulic jacks from the garage to lift the heavy safe onto a truck, also stolen from the garage.

Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its very best. Here's why: The birds go into the freezer WITHIN AN HOUR after being completely cleaned—inside and out. There's no chance for the meat to lose its "just-dressed" flavor. All the preparation—killing, cleaning and freezing—is done in one continuous operation in spick and span plants, by skilled workers... and... under U.S. Department of Agriculture supervision. Every precaution is taken to assure that you get a turkey that will eat tender, sweet, and juicy.
