Angel Gets Invitation

Wayne Angel, former concertmaster of the Klamath Union High School orchestra, has been invited to join the first violin section of the Portland Symphony Orchestra. The invitation was extended by the new conductor of the orchestra, Theodore Bloomfield. Angel, son of Mr. and Mrs. Albert A. Angel, Klamath Falls, has been acclaimed by musical experts following his numerous recitals and concerts throughout the Northwest. He will be the youngest member of the Portland musical group. Wayne is now a sophomore at Portland State College where he is majoring in music. Jewell Shannon, last year's concertmaster of the KUHS orchestra who is now attending Westmont College, Santa Barbara, California, majoring in music has also been honored by being included as a member of the Santa Barbara Symphony Orchestra, conducted by Stephan Krayk. Plans are being considered to present Angel in concert in Klamath Falls next spring.

THIS IS THE CHANCE of the new sanctuary of the First Presbyterian Church, Sixth and Pine streets. In preparation for completing the building, the church will have a combined financial drive on Sunday, November 20, to seek pledges of \$102,000 for the church building and of \$39,970 to underwrite the annual budget. The educational unit of the church was completed in 1951 and the bell tower in 1953. The target date to begin construction on the sanctuary is April 2, 1956. Morrison and Howard, Klamath Falls are the architects. Pastors of the church, oldest and largest Protestant church in Klamath Falls, are Dale E. Hewitt and James V. Overdorff.

Presbyterians Look Forward To Finishing Of New Church

The new unit of the First Presbyterian Church to be built at a cost of approximately \$102,000 will contain the sanctuary with a seating capacity of 340 in the nave and 42 in the choir. There will be additional pews for 109 persons in the balcony. Pledges for the amount needed for the final unit of the building, to be sought at the Sunday service on November 20, will be extended over a three-year period. In addition to the pledges for the building fund the annual budget of \$39,970 will be sought from the membership.

The educational unit of the modern building was finished in 1951, the tower two years later. Overall cost of the modern brick building will be approximately \$300,000.

A lounge-type parlor and conference room will be located at the rear of the nave. On the level of the balcony three rooms will be provided for Sunday school classes. A large nursery with modern facilities, banquet and recreation room for 300 and a kitchen equipped with stainless steel units will be on the basement level.

The chancel of the church has several unique features. A rolled screen on two levels will provide space for the choir and a private family room for funeral services. Stained glass windows will be to the left of the chancel. A seven-foot communion table will be at the base of the cross at the rear of the chancel. The baptismal font will be built into the front of the pulpit. The cross will rise

almost to the ceiling of the room, the foot will be banked with massed greens.

The new pipe organ that is to be installed at a cost of \$15,000 is to be so constructed that new voices may be added. It is announced that the cost of the organ has already been underwritten by church families.

RICH PENSIONER
LOS ANGELES (UP)—Sidney Landrade, 60, who was believed by acquaintances to be living on an old age pension was found—after death—to have been the owner of more than \$110,000 worth of U.S. Steel stock. All efforts to locate relatives were unavailing until a brother, Arthur, of Salt Lake City, telephoned the public administrator.

Transport Arrives In Seattle Port

SEATTLE (UP)—The Navy transport Gen. R. L. Howze arrived Thursday with 2,893 military passengers from the Far East. The Army announced it was the last all-military passenger voyage scheduled to arrive here from the Orient. The future arrivals will carry mixed loads of soldiers and military dependants—the so-called "diaper ships."
