

Youssef Sets U.S. Relations

RABAT, Morocco (UP) — Sultan Sidi Mohammed ben Youssef takes up normal relations with the United States government today when an American envoy conveys greetings and congratulations from President Eisenhower.

Ben Youssef, who returned only Wednesday after two years in French-enforced exile, today marked the 23rd anniversary of his original ascension to the throne. It was a day of wild rejoicing for Moroccans.

Mr. Eisenhower's message will be delivered to the Sultan by U.S. Minister Julius C. Holmes, who is accredited as U.S. "diplomatic agent" to French Morocco, is flying here from his headquarters in Tangier. He will meet also with French Resident General Andre Dubois.

Holmes' visit was regarded here as significant. Earlier this week the Sultan pointedly remarked that the leases of three strategic U.S. air bases in Morocco had been negotiated with the French and not with the Moroccans. Holmes visited Rabat in the past to confer with the French authorities. But he studiously avoided calling on Mohammed ben Moulay Arafa, who was the sultan during Youssef's exile.

Arafa was put on the throne by the French after they deposed Youssef for his pro-Nationalist sympathies. He bowed out under the French program to restore peace to Morocco and is now living in exile in Tangier.

Security forces took precautionary measures against any possible disorders by jubilant Moroccans and the anniversary of "the feast of the throne."

BUILDING BOOTHS for the sixth annual Sacred Heart Church bazaar were these three members of the church. Bernard Carrier, left, Barney Cavanaugh, chairman of the event, and Dennis Carrier. The public is invited to this annual event to be held Friday and Saturday in the Sacred Heart Academy gym. Friday evening an oyster supper will be served from 5:30 to 8. Saturday evening at the same time a steak dinner will be served. The dinners will be served by the Lay-A-Brick committee. There will be games and entertainment both nights with fun for all the family, Cavanaugh said. Wendell Huettl is co-chairman of the event. Funds raised will go to the building fund of the church.

Double Club Holds Dinner

WEED — Thanksgiving was the theme for the November 12 dinner meeting of the Kum Double Club held at the Weed Community Church with 19 member couples in attendance. Visitors were Mr. and Mrs. Pete King, Mr. and Mrs. Ray Bullis and Mr. and Mrs. Roy Alessio.

Chairmen for the evening were the Rev. and Mrs. George Telle with Mr. and Mrs. George Holland, Mr. and Mrs. John Booth and Mr. and Mrs. Roger Zwanziger assistant.

Games provided entertainment with prizes going to Mrs. William Davis for the autograph contest, Mrs. Ed Goltz, treasure hunt, and Mrs. Gabe Daggett, pin collection. Mr. and Mrs. Harry Hedgpeith will head the committee for the December meeting.

Rebekahs Hold Nomination Meet

WEED — Nominations for new officers of the Atlanta Rebekah Lodge were made at the November 9 meeting with Mr. C. Flook, noble grand, presiding.

Mrs. Les Kyle was named chairman of entertainment for the December 14 Christmas party. The Mount Shasta lodge has invited the local group to a venison dinner to be held December 3.

Mrs. Emelia Keys and Mrs. Beulah Spence were hostesses to 20 members. A surprise card shower was given Mrs. Spence who is going to southern California for a few months.

Yacht Club Plans Dinners

A woman's group, yet to be named, has been organized among Yacht Club members to promote an increased interest in club dinners and activities.

Crystal Cloake has been named chairman; Mary Maxwell, vice chairman and Mary Juckeland, secretary-treasurer. The members will be hostesses for the regular Sunday dinners served at the club and will plan social events. Dinners are served from 2 to 7 p.m.

The winter informal dance is planned for December 3.

Deputy Entertains Weed Rebekahs

WEED — The members of the Rebekah installing staff, under the direction of the district deputy president of District 69, Rebekah Assembly of California, were entertained by the deputy, Mrs. Mildred Wilmarth, at her home in Weed Saturday night, November 12.

Dinner was served to the installing officers who are Mrs. A. A. Barron, Mrs. Myrtle Williams, Mrs. Fay Welch, Mrs. Carol Barrum, Mrs. Emelia Keys all past noble grands of Atlanta Rebekah Lodge.

Soroptimists Hear Pastor

The Rev. Dallas McNeil, pastor of the First Methodist Church, Klamath Falls, was guest speaker at the November 17 luncheon of the Soroptimist Club at the Winema Hotel. This meeting was the annual observance of Thanksgiving Day.

In keeping with that season, the speaker reviewed the arrival of the non-conformist Pilgrim passengers on the Mayflower at Cape Cod, their religion that sustained them through the first year and their character.

There is need today, the speaker said, for the moral principles of those early colonists. In conclusion he sought some contribution of the audience toward redemption of the present world situation.

The Rev. McNeil was introduced by Ruth Lobaugh, program chairman.

Wayne Pounds, baritone, junior at Klamath Union High School sang, "Thanks Be to God," by Dixon, Eloise McIntyre was at the piano.

Olive Corrent introduced her guests, her sister, Mrs. R. L. Jackson, a niece, Josephine Jackson, both of Nevada, Missouri, and Florence Houston, Salem.

There will be no meeting next week, Thursday, November 24, Thanksgiving Day.

TEA RECORDINGS

TOKYO — A tea shop will play recordings of Beethoven's nine symphonies on Christmas Day — and is virtually sold out for the seven-hour event.

The Chat and Nibble Cooks of Keno, met Monday, November 7th, at the home of Mrs. Larry Owens.

Phoners Get Safety Award

The National Safety Council's highest award in the field of industrial safety, the award of honor, has been presented to Pacific Telephone for its 1954 safety record. Howard J. Austin, manager here, said the company qualified for the award as the result of the improvement in its 1954 safety record as compared to the three previous years.

The safety council bases the selection of award winners on the per cent reduction made in the frequency and the severity of lost-time accidents. Contributing to Pacific Telephone's 1954 record — the best in the company's history — was a reduction in the number of motor vehicle accidents and personal injuries from that cause. This was accomplished despite an increase in the number of vehicles in operation and the mileage driven.

This is the first time the award of honor has been received by Pacific Telephone as an individual company.

We had the pleasure of having Mary McConnell, 4-H Club agent, visit us, and answer some of our questions. Loretta Sanders won the doot prize. Members cleaned and served vegetables.

SNIP AND STITCH

The Snip and Stitch, is Mrs. Fishback's 4-H Club. This week we chose our president, Tyana Payne; vice president, Lana Palmer; secretary, Margaret Fishback; yell leader, Janice Spears, and news-reporter, Karen Wardle. Refreshments were served by Margaret Fishback. We met at Mrs. Fishback's home.

Karen Wardle Newsreporter

SNIP AND STITCH

On November 8, President, Tyana Payne called the meeting to order. We sang the 4-H pledge and we sang the boys and girls club work. The minutes were read by Margaret Fishback. In answer to roll call we said if we had thimbles or not. We got some new record books so we signed them. We talked about our next meeting, and also elected our clubs name. It is, The Snip and Stitch 4-H. Refreshments were served by Karen Wardle. This is our second meeting. We met at Mrs. Fishback's home.

Congressional Timber Hearing Moves To Eugene

EUGENE (AP) — The congressional hearing on federal timber policies moved Friday to Eugene, where there is much agitation for expanding the Smith River timber marketing area.

The proposal to allow such inland points as Eugene to share in the Smith River timber salvage program drew opposition in a hearing at Roseburg Thursday.

There William E. Walsh, Coos Falls, representing lumbermen in Coos and western Douglas counties, argued that the emergency is over in the salvage program and there no longer is any reason to bring inland mills into the program.

Walsh said the Bureau of Land Management estimated 27 million board feet of timber had been blown down in the Smith River area and needed salvage. But most of that was knocked down five years ago, and the timber now is mostly beyond salvage, he said. Therefore there is no emergency, he said.

He also said much green timber would have to be removed in order to get at the blown-down timber. All told it would be necessary to remove about 691 million feet of green timber, Walsh said.

That would mean nearly a billion feet of timber to come out in the salvage program — or about half the amount of timber in the area, he said, adding that it would be the equivalent of 17 years' allowable cut.

He urged that the BLM stick with the annual allowable cut of 40 million board feet, and leave the marketing area unchanged.

Sen. Neuberger (D-Ore), after missing the previous two hearings because of a virus infection, joined the hearing Thursday. Also present were Reps. Chudoff (D-Pa.) and Hoffman (R-Mich.).

Bob Geaney, a member of the BLM advisory board in the Coos Bay district, accused the Long Bell company of stalling in granting easements for loggers who wanted to bid on BLM timber in the Smith River area.

H. G. Kelsey, a Long Bell vice president, said the company was reluctant to make agreements because road construction costs were high and perpetual rights of way would be granted.

Milton Herbert, a Canyonville mill owner, urged that the Forest

Service not drop its so-called poster sales — sales at ranger stations on small timber tracts. He said the Forest Service was going in for too many big sales to big operators.

Donald Wemple, representing the Powers Chamber of Commerce, warned against allowing the timber to be depleted. He said Powers is an example of what can happen — poor business, work slackening off and loggers moving to other communities.

Neuberger said it was necessary for the committee to work out a solution to prevent that from happening in other Oregon communities.

Norman Pfeiffer, a Yoncalla mill operator, recommended that the BLM and Forest Service put slash areas up for bid after the original timber purchaser has completed logging. Under present regulations the original purchaser cleans up his slash by burning.

Pfeiffer said many salvagable logs go up in smoke that way, often because the original purchaser cannot process second-grade logs in his mill.

But, said Pfeiffer, he and others like him can handle such logs, and can make a living doing it. He got support from Paulus McKee, Riddle lumberman, who offered pictures as evidence that logs are being burned in the slashings.
