

Bonus Rule Offers Enigma For Minor Leagues' Meet

By EARL WRIGHT
United Press Sports Writer

If five National Football League teams — the Detroit Lions, Baltimore Colts, Green Bay Packers, Pittsburgh Steelers and Washington Redskins — win Sunday, the division races will be locked tighter than a miser's fist.

In that event there would be a four-way tie for first place in the Western Division and a two-way tie for the Eastern lead. The Los Angeles Rams, Chicago Bears, Colts and Packers would be tied for the Western lead with 5-4 records, while the Cleveland Browns and Redskins would be tied for the Eastern lead with 6-3 marks.

To produce such sardine packing in the Western scramble, the Lions (2-6) must whip the Bears (5-3), the Colts (4-4) must defeat the Rams (5-3), and the Packers (4-4) must down the San Francisco Forty-Niners (3-5).

The Bears are favored by 13 points to boost the league's longest current winning streak to six at Detroit. The Rams, tied with the Bears for the lead, are six-point choices at Baltimore. The Packers, tied with the Colts for second, are slim, one-point favorites against the Forty-Niners at Milwaukee.

MUST WIN

To deadlock the Eastern race, the Steelers (4-4) must defeat the champion Browns (6-2) at Cleveland and the Redskins (5-3) must defeat the Cardinals (2-4-1) at Chicago. The Browns, who lead the second-place Redskins by a game, are 11-point favorites. The Cardinals are one-point favorites.

The Philadelphia Eagles (3-4-1) visit the New York Giants (3-5) in the other game. The Eagles are favored by 15 points.

The last-place Lions, who won the Western title for the past three years, can help decide their successor because two of their remaining games are with the rampaging Bears. But the Bears, currently the league's hottest team, are in good shape for Sunday's Briggs Stadium tussle while halfback Bob Hornschemeyer and end Dorne Dibble of the Lions are out with injuries.

End Bob Boyd, one of the Rams' top pass-catchers, missed last Sunday's clash with the Bears and

LAWRENCE, Kan. (AP)—There's no question about it—he's the greatest basketball player alive today.

Forrest C. Allen, veteran University of Kansas basketball coach, didn't hesitate last night in applying that tag to Wilt "The Stilt" Chamberlain.

And the 7-foot Chamberlain is only a freshman.

Allen and 14,000 others watched in amazement as the big but graceful Negro poured in 42 points in leading the Kansas freshmen to an 87-71 victory over the Jayhawk varsity.

Allen, starting his 39th season at Kansas and who celebrated his 75th birthday yesterday, seldom is a loss for words when it comes to talking about his favorite sport.

But he had a hard time finding the superlatives to describe Chamberlain.

Chamberlain, who was "cold" the first few minutes, dropped in 16 of 35 field goal attempts and hit 10 free throws. He came within two points of the all-time Kansas individual single-game scoring record held jointly by Clyde Lovellette, now with the professional Minneapolis Lakers, and B. H. Born. He grabbed 18 defensive rebounds and six under his own basket.

Chamberlain was a little disappointed with his performance early in the game. "It wasn't butterflies," he said. "Heck, I've played lots of basketball, I just couldn't hit."

Allen concedes Chamberlain still has a few rough edges but is quick to learn. Wilt, who scored 2,352 points in three years for Overbrook High School in Philadelphia, literally alarms the ball down through the nets when he goes up for a shot under the basket.

For the fifth straight year the annual Intercollegiate Rowing Assn. regatta will be held on Onondaga Lake, Syracuse. The date is June 16.

The youngsters have taken over the boys here on Saturday mornings. Many a future good bowler will be developed in the junior league program. John McGinnis started his freshmen boys yesterday on the road to learning the game with a class under the direction of Roy Harris, junior league coach.

Scoring for the men during the

past week was exceptionally low. Only one 600 was rolled, that being an even 600 count by Harry Brag. The women found conditions to their liking however and came up with more 500's than usual. Larayne Harris led with 572, Marion Linville 561, Audrey Thomas 543, Joyce Ross 533, Marcy Hunt 521, Mary Ellen Hankins 520, Millie Sheehy 511, Verna Dean Long 506, June Baxter 505, Josie Reginato 503 and Ruth Milne 501.

Friday afternoon saw the beginning of a league for women novices. This league is an outgrowth of the afternoon instruction classes. More women are needed to fill out this Friday afternoon beginners league. Those interested may call 5245 for further information.

Now you can turn on your record player at home and learn how to bowl while resting in your easy chair. The top team in the nation, Stroh's of Detroit, has made a long-playing record called "Great Bowlers with Fred Wolf." Each member of the team covers a particular phase of bowling.

Three women's teams have indicated they will make a bid for the Oregon state championship crown at McMinnville. Another men's quintet, Motor Investment from the Automotive league, has prepared their entry for the men's state championships at Portland. This brings to nine the number of teams from Klamath Falls who will bowl in February at the Eastside Bowl in Portland.

Gresham Wins Prep Grid Test

By THE ASSOCIATED PRESS

Four teams advanced to Oregon high school football playoff finals Friday night and the other two finalists were to be determined Saturday.

Gresham, No. 2 in the final Associated Press high school football poll, defeated Jefferson of Portland, 6-0, to clinch one class A-1 final slot. Marshfield, No. 1 in the AP poll, plays Washington of Portland Saturday for the other position.

Defending champion Vale will meet Dallas in the A-2 final. Vale downed Junction City, 13-0, Friday night to stretch its season win streak to 9 straight. Dallas edged Tillamook 5-0. It was the Rams' second 6-0 victory in the row, the other having been in the quarterfinal with Central of Monmouth-Independence.

Siletz scored in the last three seconds of a class B semifinal at Toledo to beat defending champion Monroe, 14-7.

Glide and Culver met at Madras Saturday for the six-man championship. The same teams played for the 1954 title.

In Friday night's A-1 final at Multnomah Stadium in Portland, only 2,300 saw Gresham drive for a second quarter touchdown then dominate the second half to defeat Jefferson, the Portland league champion, in soaking rain. Quarterback Bob Scholard scored one yard for the Gresham score. Gresham threatened four times in the second half but the Democrats never got out of their territory.

Rain fell steadily at Eugene as defending A-2 champion Vale overpowered Junction City. Tater Smith opened the Vale scoring in the first quarter when he plunged over from one yard out to clinch a 51-yard drive. In the second period Gene Bates passed to Darrell West in a 22-yard touchdown play that clinched the victory.

One of many fumbles at Dallas helped the Dragons beat Tillamook. Tackle Bill Wall recovered a Tillamook fumble on the Tillamook 35-yard line. Four plays later John Quiring raced 17 yards for the only touchdown of the game.

In the B semifinals at Toledo, a 15-yard penalty against Monroe gave Siletz the ball on the Monroe one-yard line. From there Darrell Bailor plunged over for the deciding touchdown just three seconds before the final gun was fired. Monroe led 7-0 at the half, but Siletz scored in the third period to even it up at 7-7.
