You Can Be SURE ... If It's a SAFEWAY OVEN-READY U.S. Grade A Young 1955 TURKEY

UNCONDITIONALLY GUARANTEED

Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its very best. Here's why: The birds go into the freezer WITHIN AN HOUR after being completely cleaned—inside and out. There's no chance for the meat to lose its "just dressed" flavor. All the preparation—killing, cleaning and freezing—is done in one continuous operation in spick and span plants by skilled workers... and... under U.S. Department of Agriculture supervision. Every precaution is taken to assure that you get a turkey that will eat tender, sweet and juicy.
