Dunsmuir Ski Tow Operates

DUNSMUIR - The ski tow was in operation all day Saturday and Sunday at Snowman's Hill with about one and a half feet of snow for winter sports enthusiasts to enjoy. There is little hope for much skiing next week unless there is another snowstorm or exceedingly cold weather prevailed, according to Gus Odegard, Snowman president. At least a two foot snowpack is needed for top skiing, he said, to afford good brush and rock coverage.

The tow was in operation on Thanksgiving Day too for a short period. The concession stand is open and will serve hot food on weekends whenever there is enough snow to ski, Odegard said.

Membership in the Snowman ski season use of the ski tow, the president explained. However a full day's use of the tow costs only \$2 and a half day, \$1.50, he said. He also pointed out that many use the skiing slopes and sledding area without using the ski tow and the recreational area is open to all without charge.

At the next meeting of the Snowman, Thursday, December 1, there will be an auction of used and outgrown ski gear. Ski movies will also be part of the evening program. This meeting will be held at 8 p.m. at the Mount Shasta City Hall.

5208 Shasta Way for election of officers and a social hour.

AF Survival Team Camps On Shasta

DUNSMUIR - Ten men in an Air Force survival party spent last week studying arctic survival on the slopes of Mt. Shasta.

The men stayed at Forest Service headquarters in Mount Shasta last Monday night. The forest service drove them as far up the mountain as snow conditions permitted.

Tuesday night they spent in the shelter at Horse Camp and the rest of the training period was spent at Lake Helen, about the 11,000 foot level.

One enlisted man, an Eskimo, reported little hardship, according to Clem Crouch, district ranger at Mt. Shasta, but the others sought shelter in snow caves and pup tents. All were in good condition when they left for Stead Air Force Base, Lt. Keene, officer in command, reported.

Hannah Gould Dies In Weed

WEED - Funeral services were held in Weed November 27 for Mrs. Hannah Gould, 90, who died in the Weed Hospital November 25, following a recent illness.

Mrs. Gould had been a resident of Weed for the past 24 years and was born in North Ireland February 20, 1865. Her husband preceded her in death several years ago.

Survivors include one son, Richard of Weed; one daughter, Mrs. Richard Chatham, and a granddaughter Carol Chatham of Stockton, California.

The Rev. George Telle officiated at the services held in the Weed Community Church and the members of White Pine Chapter, No. 487, Order of the Eastern Star of which Mrs. Gould was a member, attended in a body. Burial was in the Winema Cemetery in Weed. Upton's Mortuary handled the funeral arrangements.

Auto Crash Injures Airman

An Air Force non-commissioned officer was injured early this morning when he lost control of his auto on slippery pavement while turning from South Sixth Street to Allamont Drive, the Oregon State Police reported today.

Taken by officers in Klamath Valley Hospital was S-Sgt. Robert Francis Gahimer, 2640 Radcliffe. He had a bad cut on the head, and complained of chest pains, police said.

Police said that Gahimer lost control of his auto while making the turn and slid into a telephone pole and metal railing protecting Metter's sawmill. The right hand side of the auto was severely damaged, police said.

Gahimer told police that he was unfamiliar with the type of climate here, and jammed on his brakes when he skidded. This, he said, turned out to be the wrong thing to do.

Police reported that the pavement was wet and slippery, and that it was hailing at the time. The incident occurred at about 1:35 a.m.

Dunsmuir Pupils Get Salk Shots

DUNSMUIR - About 55 second and third grade children were given Salk Polio vaccine inoculations at the Dunsmuir Elementary School Monday morning.

These children represent the ones to whom the shots were promised last spring when the program was temporarily discontinued. Dr. E. V. Anderson and Dr. J. W. Reynolds administered the shot.

The second in the series of shots will be given the latter part of January and the third about six weeks later, according to Roger Ellis, school principal. Only those children whose parents signed permission slips were given the inoculations.

The 1956 Buick ROADMASTER Riviera

Wonderful New Ride with a "Sense of Direction"

Over the years, Buick has always had a great ride. But each year, Buick engineers find new ways to better it.

And in the 1956 Buick comes a ride beyond anything that has gone before - the sweetest ride in Buick history.

We could tell you the why of it...

About a brilliantly engineered new chassis of extra braw and heft and precision balance...

About new direct-action, deep-oil shock absorbers that snub jars and jolts with full, firm authority - and add new levelness to the car's all-coil springing...

About new V-bracing and new housing rigidity that bulwark the full-length torque-tube drive - bringing new swerve-free steadiness...

Even about a whole new magic of angles and linkage in the front-end geometry to gift you with a new surety of control and impart a track-true "sense of direction" to the front wheels.

But that's just a telling of it. Only in the driver's seat can you get the feel of it. Only there, too, can you sense the mighty sweep of Buick's great new 322-cubic-inch V8 engine, now stepped up to an all-time high in power and compression.

And only there can you really know the thrilling double-

action take-off of today's new Variable Pitch Dynaflo - the spirited action that gives you instant getaway response at merely part throttle, plus utter smoothness through every inch of travel.

Come in for a visit, this week - just to sample at first-hand the sizzle and thrill and ride sweetness in the best Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century - optional at modest extra cost on the Special.

It's the '56 Buick -

23 Years Ago

Monday, November 28, 1932 - Mr. and Mrs. Wade Crawford, who will represent the Klamath Indian tribe at Washington, D.C., and work for legislation beneficial to the Klamath, left Thursday morning for the east.

Tuesday, November 29, 1932 - Kiwanis wives gave the Kiwanians a surprise party at the noon meeting at the Hotel Willard Thursday. When the Kiwanians marched into the dining room, the women were arranged about the tables and from then on took charge of the affairs. Mrs. John Houston wife of the president, assumed the chair, and Mrs. Paul Jackson acted as chairman. Mrs. Elbert Veatch handled the duties of Secretary Veatch, and Mrs. Henry Perkins collected numerous fines. The Kiwanis chorus was there, but it was a women's chorus.

Wednesday, November 30, 1932 - Mrs. C. E. Dennis, Mrs. Walter West, Mrs. F. Hill Hunter, Mrs. Clarence Humble and Mrs. J. H. Pennington were hostesses at the meeting of the Eastern Star Social club, Friday afternoon, at the Masonic hall. Gifts for children were donated by the members to be turned over to the city firemen for distribution at Christmas.

Thursday, December 1, 1932 - Miss Joan Kranenburg was elected queen of Daughters of Job at a meeting held in the Masonic hall. Other new officers elected were: Miss Lois Soule, senior princess; Miss Vera Mae Gerrish, junior princess; Miss Audrey O'Neill, guide, and Miss Ruth Mary Bathony, marshal.

Friday, December 2, 1932 - Mills PTA will hold a kitchen apron and pot holder sale not later than December 17 to provide relief funds. The date and location will be announced later. Any lady wishing to donate an apron or pot holder is asked to call Mrs. Fred Heilbranner, and they will be called for.

Saturday, December 3, 1932 - John Houston, Burge Mason, Henry Perkins, Bert Igl, Tom Cunning and Elbert Veatch, officers of the local Kiwanis club, attended the Kiwanis school of instruction held in Medford Monday.
