

Reds Protest English Charge

LONDON (AP) — The Soviet protested to Britain Tuesday against a Foreign Office spokesman's charge that Russian Premier Bulganin had expressed "hypocritical" views on German unification.

Charge d'Affaires N. D. Belokhovostikov called on Sir Ivone Kirkpatrick, permanent head of the Foreign Office, and complained that such expressions "are incompatible with the nature of the relations existing between our two countries."

The incident was touched off by a comment made Nov. 22 by Peter Matthews, one of the spokesmen in the Foreign Office news department.

Matthews offered a point-by-point rebuttal to reporters of a speech made to the Indian Parliament in New Delhi by Bulganin.

In his speech the Soviet leader claimed Russian foreign policy was based on noninterference in the internal affairs of other nations and added German unity would best be achieved by the German people themselves.

Matthews ended his comment with the words: "The views of Mr. Bulganin seem thoroughly hypocritical."

All of Matthews' comments—except the accusation of hypocrisy—had been authorized by the Foreign Office at a high level, an informed source said. They were volunteered at a daily news conference.

The "hypocritical" charge apparently embarrassed the Eden government which has invited Bulganin and Soviet Communist boss Nikita Khrushchev to come to Britain next spring. The Russians have accepted.

Darrell Keesling Gets Promotion

DUNSMUIR — Darrell Keesling, a forest service employe, has recently been promoted to assignment at the Shasta-Trinity seedling nursery east of McCloud. Keesling was stationed at Dunsmuir doing fire control work last summer.

A temporary detail of parachute packing has been assigned to George Solus. He will be stationed in Redding for the winter months, returning to fire control work at the Dunsmuir guard station next summer.

Principal work at the Shasta-Trinity district headquarters in Mount Shasta at present is sale preparation work, according to Clem Crouch, district ranger. Timber surveys are being conducted on the North Fork of Salt Creek this month.

SENTENCED — George Warrington, 21, was sentenced on a charge of assault after his 18-year-old wife testified he came home drunk, ripped out the telephone, punched their 3-month-old baby and threatened to kill everyone in the house. She said the threats ended when Warrington's mother-in-law floored him with a blow to the head.

Lower Income Listed In Lake

LAKEVIEW — There was a 15 per cent drop in the estimated income from agricultural products in Lake County in 1955 as compared with 1954, according to figures released from the office of Elgin Cornett, Lake County agent.

The total estimate for 1955 is \$4,350,380 and it was \$5,141,080 for 1954. For livestock sales, which were \$3,649,000 for 1955 and \$4,164,500 for last year, the drop was attributed to lower market prices.

In 1955 the total farm crops sales were \$701,380 or \$275,200 less than the 1954 total of \$976,580. The heaviest loss was in grain caused by weather conditions and a drop in the price of oats and barley.
