Cold Relief Not In Sight

By THE ASSOCIATED PRESS
Stormy weather which struck sections of the Midwest and Northeast appeared fading today but there was no immediate relief from the unseasonable cold over the central and eastern parts of the nation.

The arctic air centered in the Dakotas and Nebraska, where temperatures were generally below zero. But it was freezing and below in wide areas south and eastward to the Eastern Seaboard.

The storm was centered in the St. Lawrence Gulf during the night and continued moving northeastward.

The freezing line extended southward to the Gulf Coast of Alabama, northern Florida and northern Texas. Record low temperatures for the date were reported in many parts of the cold belt yesterday and similar reports were expected today.

Snow and wind storms which raked the Great Lakes region were blamed for at least eight deaths, including five in the Buffalo, N.Y., area and three in Michigan. Snowfall in the Buffalo district measured 16 inches, the same amount reported around Ironwood, Mich.

Schools and department stores were closed in Buffalo and thousands of persons were stranded on street corners and in marooned cars. Schools also were closed in some Michigan and Wisconsin counties.

Light snow continued to fall during the night and early morning in the Great Lakes region, the upper Ohio Valley and the northern Appalachians.

Wolf Refused Detector Bid

PORTLAND (UP) —Victor Lawrence Wolf, confessed bomb slayer of Portland attorney Kermit Smith, yesterday lost out on his bid for a lie detector test.

Circuit Judge James W. Crawford ruled out the test on legal grounds. He said the results of a lie detection test could not be considered reliable evidence in court.

Wolf is scheduled to appear before a jury Monday for a hearing to determine his degree of guilt and the penalty he will pay for the death of Smith.

GIVES UP

WHITESBURG, Ky. (UP) — Sam Sexton, 60, who married and divorced the same woman seven times, died at his nearby Sand Lick Gap home yesterday. His wife was Mrs. Martha Sexton.
