Demonstration Friday and Saturday Pkg.

Special message to our home freezer customers: Many times in buying a side of beef you will get a lot of cuts your family does not particularly care for and often these cuts wind up in a neighbors pot or the family dog lives it up on the cuts you do not like.
 We at Low Cost suggest you buy our value items for your freezer, it will save you money. Example: This week we feature pork chops and pot roasts, if your family really likes either of these items buy 20 or 30 pounds and put them in your freezer. Keep buying the things you like **WHEN THEY ARE ON SPECIAL** and you will certainly benefit where your food budget is concerned.
 Come in to our **SPECIAL CUT WINDOW**, ask for Coy or Bud and we will explain this further to you.
