Plywood Firms Get Price Drop

CORVALLIS (UP) — A sharp price drop has hit the plywood sheathing industry and is causing some plants to lay off men or cut hours of operation, a survey here reveals.

Some 34 were laid off at one plant last week, a lesser number at another, and a third is cutting the hours of work.

Jerry Robinson, sales manager of the Plywood Products Corp., said the sheathing market has dropped 10 to 15 per cent in the last 45 days. He expressed the belief that it may have hit bottom and would move upward after the first of the year.

The price decline can be blamed in part on the season, he said. Lack of interest in building, cutting of inventories by lumber retailers and a tightening of mortgage money were cited as among the reasons.

Roy Foy, manager of Plywood Products, said prices were the lowest since 1946.

Some large plywood plants are diverting from the rough sheathing to smoother finishes which are in

Santa Arrives In Alturas

ALTURAS — Santa Claus arrived in Alturas Friday, December 3, heralded by the Alturas Volunteer Fire Department's fire engine and accompanied the length of Main Street by an escort of 20-30 Club members. The parade started at the Alturas Furniture Store.

The recently-organized Alturas Merchants Association sponsored a Christmas window contest which was judged by members of the Alturas Garden Club.

Christmas windows in local stores were decorated by students of the seventh and eighth grades of the Alturas Grammar School. Four awards were made to each grade and plaques awarded to merchants having winning windows.

Winners of the window painting and decorating contest were: first, The Golden Rule, decorated by Janice Fuller, Patsy Peede and Roberta Bowman, eighth grade students; second, Carl's Sporting Goods, decorated by Sharon Riley, Bill Sheldon and Johnny Gardner; third, Polly Ann Bakery, decorated by Nannette Vernon, Joyce Whitney and Joanne Mattien.

Honorable mention went to Heryford & Brock Company, Anne Gaudie, Jolene Sistock, Rickie Stevens and Jo Ann Adair; D & R Groceries, Terry Johnson, Carol Grubb and Beth Dean; Enderlins, Sharon Doyle and Sharon Ingram; Pratts, Mary Kay Conwell, Steve Carter and Tom Smith; D & K Refrigeration, Mikele Griswold, David Lee and Michael Johnson; Warner Hotel, Eugenia Remm, Margaret Goings and Mary Meredith; Perdues, Mary Prior, Deanne Pratt and Virginia Prior.

Members of the Alturas Merchants Association donated the \$50 price money.

CHP Gives Light Warning

ALTURAS — The California Highway Patrol reports that many motorists are still using parking lights as driving lights.

"The law prohibits the use of parking lights as driving lights at times when headlights or foglights are required," declared a Patrol Commissioner, B. R. Caldwell.

"This law was necessary to correct an obviously dangerous practice. Parking lights, when used as running or driving lights, have a tendency to deceive other drivers by creating an illusion of distance and speed of oncoming vehicles," Caldwell said.

"We urge every driver to develop the habit of lighting the headlights, not the parking lights, when first turning on car lights at dusk or whenever impaired visibility requires lights. This will help other drivers and pedestrians see your vehicle better and will provide more safety at times when our traffic accident rate is highest."

Funeral Held For Sally Goss

Funeral services were held at 2 p.m. today from the Golden Funeral Home in Salem for Mrs. R. L. (Sally) Goss, 74, who died at Salem on December 3.

A member of a pioneer family, she was the daughter of Dr. and Mrs. J. A. Chastain, early Bonanza settlers.

Survivors include a son, Lorenzo Goss of Stayton; two sisters, Mrs. Etta Kilgore and Mrs. Arthur T. Langell, both of Klamath Falls; a brother, Claude Chastain of Seaside; three grandchildren and one great grandchild.

GM To Revamp Franchises

WASHINGTON (UP) — President Harlow Curtice announced today that General Motors Corp. will revise its franchise agreements with auto dealers — under fire by Senate investigators — to offer dealers a five year contract instead of the present one-year agreement.

Curtice made the surprise announcement as the Senate Monopoly Subcommittee resumed hearings on GM's activities as the nation's major industrial giant.

Curtice made public a telegram to all GM car and truck dealers advising them that, if agreeable, selling agreements which were signed effective Nov. 1 for one year will be extended to expire to Oct. 31, 1960, instead.

The one-year franchise had been criticized by former GM dealers, and some current dealers, in subcommittee testimony.

Army, AF Plan Court Policy

WASHINGTON (UP) — The Army and Air Force said today they will continue to court martial civilians accompanying the services overseas despite a U.S. District Court ruling that such trials are unconstitutional.

Federal Judge Edward A. Tamm recently declared unconstitutional a section of the U.S. Code of Military Justice giving military courts authority over the families of servicemen and other civilians overseas.

He handed down the ruling here in freeing Mrs. Clarice B. Cover, who was being held here for a second military trial on charges that she murdered her Air Force husband in England.

The Air Force said it will assume the disputed section of the military justice code "is constitutional and binding until there is a decision to the contrary by a higher court."

The Army said in answer to questions that it had adopted the same policy and so instructed its overseas commands.

Freeze Hampers Xmas Tree Search

CORVALLIS (UP) — The search for good Christmas trees has been made more difficult by the November freeze, the Oregon State College farm forest market report said Tuesday.

The loss was most severe at lower elevations. Western Washington, the major producing area, estimated loss as great as 50 per cent. Oregon trees though are usually cut at higher elevations so the loss in this state was believed to be somewhat less from the heavy needle drop.

Bids on Christmas tree stumpage in Lane County in the past week ranged from 10 to 50 cents a tree depending on quality.

La Prensa Gets New Freedom

BUENOS AIRES (UP) — La Prensa was freed today of the last shackles of Peronism preparatory to its resumption of publication as a free and independent newspaper under its legitimate owners, the Paz family.

A Labor Ministry decree wrote the end to La Prensa's episode as an organ of the deposed regime of Dictator Juan D. Peron at midnight. It implemented the decree-law issued by President Pedro E. Aramburu Nov. 28, denouncing as unconstitutional the seizure of La Prensa and ordering its return to the Paz family.

Reyes To Receive Better Meals

CORVALLIS (UP) — Martin B. Reyes will eat a little better than other county prisoners during his murder trial.

Reyes' attorney, John B. Fenner, asked that his client be given an extra meal "to improve his alertness" during the ordeal. Prisoners ordinarily get two 60-cent meals a day.

Sheriff C. N. Lilly said Reyes probably would be given milk and sandwiches at noon.

Russian Flees To West Berlin

BERLIN (UP) — West Berlin officials said today a Russian Army captain in full uniform fled a Soviet tank unit last night and asked for asylum in the West.

The officials said the Red Army officer escaped across the East-West city border and surrendered to West Berlin police. They said he was turned over to American authorities.

Soviets Disclaim Malenkov Hike

MOSCOW (UP) — The Soviet Foreign Ministry press department said today "as far as we know" former Premier Georgi Malenkov has not been promoted to first deputy premier.

"He is still simply a deputy premier," the department said.

The press department was commenting on London reports that a Moscow Radio broadcast heard there identified Malenkov as a first deputy premier.
