Man Questioned On Slaying

PONTIAC, Mich. (AP)—Authorities today questioned a 23-year-old Michigan man arrested on a traffic violation charge in connection with the October slaying of three Chicago boys.

Police Chief James Parker of nearby Holly, who arrested him, and two state police detectives said there was no evidence to link Owen Robert Moser of Ponton, Mich., with the slaying.

Moser is held in Oakland County Jail on a charge of possessing an unregistered firearm. Parker said he found the gun in Moser's car when he arrested him on the traffic charge Saturday.

Student Takes Own Life

Dale Brown, 19-year-old student, shot himself in the head in front of a residence at 312 McKinley Street early Tuesday morning, according to police. He died instantly.

Dr. George H. Adler, Klamath County coroner, said the body was found by Max Hoyal, a railroad worker. Hoyal discovered the body sprawled on the snow-covered sidewalk. It was taken to Ward's Klamath Funeral Home.

Friends of the youth told police he had been brooding over an ill-starred love affair.

Overheated Stove Destroys Home

SWEET HOME (AP)—An overheated wood stove was blamed for a fire which made a family of five homeless Monday.

As a cold rain fell, Mr. and Mrs. Don Carter, their small children, and Mrs. Carter's sister, Mrs. Frances Stockmier, ran from the burning house. Despite firemen's efforts the house burned to the ground.

Parker said Chicago police were "mistaken" in reporting he had told them Moser had signed a statement admitting the triple slaying and added, "I don't know where they got that idea."

Moser has admitted he was in the Chicago area about the time the boys disappeared, and he has admitted picking up two or maybe three boys and taking them for a ride," Parker said. "We think he may know more than he's telling, but that's all he has told us."

The three boys—Robert Peterson, 14, John Schuessler, Jr., 13, and his brother Anton, 11—disappeared Oct. 16. Their bodies were found in a forest preserve ditch Oct. 18.

Parker said Moser admitted living in a rooming house in Homewood, Ill., 25 miles south of Chicago, and working in a coffee shop there from January to mid-October, when he left for Ponton, Mich.

State Police Detectives Charles Lelf and Melvin Kaufman said he specifically denied any connection with the triple slaying.
