

Klamath Falls has Home work to do!

Within the next few months, more than 400 new families will move to town. They must have a place to live. There will be families of personnel at the new Air Force Base. There will be families of personnel at the new Air Force Base. There will be families of personnel at the new Air Force Base. There will be families of personnel at the new Air Force Base.

DO IT NOW

If you have a large house that can be remodeled into apartments, or an old building that can be remodeled into suitable living quarters, we urge you to contact your local building materials dealer or your contractor. He'll be glad to give you the information and estimates you need. The call is urgent... if you can make a home for a serviceman's family, do it now!
