Reno Police Quiz Suspect

RENO (UP)—Reno police forwarded to Sioux City, Iowa, authorities today the picture of a man held as a suspect in the brutal rape-slayings of 3-year-old Donna Sue Dacee last July 10.

The move came as Reno police refuse to identify, confessed to the crime with his arrest Saturday night on a disorderly conduct charge.

Reno Police Chief Theodore R. Berrum said of the suspect, "There is reason to believe he is mentally unbalanced."

In Sioux City, Police Detective Lt. T. Warnstadt said Reno authorities told him the suspect has "backed up on his confession" and had "provided an alibi."

"But he's still being questioned and he's the best suspect we've had in a long time," Warnstadt said. "His description fits and Reno police are sending his picture for us to show to witnesses."

The suspect claims he was at Des Moines drinking beer with his father on July 10.

The girl, daughter of Mr. and Mrs. Francis Dacee, was snatched from her crib in her parents' home. Her battered body was found along a gravel road near South Sioux City, Neb., July 11.

Los Angeles Mercury Up

By UNITED PRESS

Desert winds made it feel like summer in Los Angeles today, but wintry weather gripped most of the rest of the nation.

The Southern California "heat wave" was wafted in on desert winds which hit gusts of 35 miles per hour in the canyons. The temperature rose to 77 degrees at Los Angeles and more of the same was predicted today.

More warming was expected in the plains and western Mountains, but there was no relief in sight for the vast area farther east.

The temperature dropped to 45 below zero at Grantsburg, Wis., early today and Syracuse, N.Y., measured nine inches of snow on the ground, five inches of it deposited in a 12-hour period. Utica N.Y., had a four-inch snowfall.

A warm-up in the Pacific Northwest was accompanied by heavy rains which pelted Astoria, Ore., with nearly three inches in 24 hours. Seattle was doused with a 1.37-inch rainfall.

In the Southwest, icy highways were blamed for one of the worst traffic weekends of the year in Oklahoma, with 12 dead counted. High winds overturned a helicopter in Louisiana and the plane's whirling blades killed an oil company worker.

Florida Con Dies In Chair

RAIFORD, Fla. (AP) — Florida's electric chair Monday ended the 20-year bandit career of Samuel Hornbeck.

The 36-year-old robber, jail breaker and convicted murderer died for the 1953 slaying of a Jacksonville police officer who earlier was shot by someone else.

The switch was thrown at 8:35 a.m. and Dr. Mark Adams, prison physician, pronounced Hornbeck dead at 8:43.

Dewitt Sinclair, prison superintendent, said the condemned man was calm as he went to the chair and made no statement. He asked for a cup of coffee, a few minutes before he was taken to the death chamber.

The Jacksonville officer, Thomas A. Robinson, was killed by a bullet fired by Hornbeck's pal, Myron Goldman, but Florida law makes all participants in a robbery guilty if anyone is slain during the commission of the crime.

Goldman was slain in the Dec. 17 gun battle on the edge of Jacksonville after police surprised Hornbeck and Goldman in the act of robbing a tavern.

PROPAGANDA

NEW YORK (AP) — Russia's East European satellites have stepped up their propaganda campaign against Western radio broadcasts, Radio Free Europe reports. The increase has been evident since the Geneva summit meeting last July and includes intensified attacks in newspaper and magazine articles and in official radio broadcasts, Free Europe said yesterday.

TOUGH

EL CENTRO, Calif. (AP)— Charlene Meadows, 17, was scheduled to play the lead in her high school play enacting a "tomboy who liked football." A few hours before curtain time, however, Charlene was stretched with a broken finger. The reason: she broke it in an offstage scrub in a touch football game.

"Clever gal, my Carol!"

I'm thrilled pink with the smart way my Carol handles her broom work. Take wood floors for instance. What pink champion chart of them for dirt and beauty. But not my Carol! She cleans and waxes them to one easy operation with Bruce Cleaning Wax. It takes her half the time and a lot less elbow grease. And we've yet to have a guest who hasn't commented on our beautiful wood floors. My Carol and her Bruce Cleaning Wax really make easy work of a hard job. I'm mighty pleased with both of them.

P.S. For lighter waxing on linoleum and wood, Carol uses Bruce Floor Cleaner.

Red Boss Tells Indians They Are Being Exploited While At US Built Village

By HAROLD K. MILKS

NEW DELHI, India (AP) —Nikita Khrushchev Monday told Indian peasants in a model village being improved with U.S. help that they are victims of "exploitation and discrimination."

The excited crowds at Sonepat, 40 miles north of New Delhi, hailed the Soviet Communist Party boss and Premier Bulganin with shouts of "long live the Russian emperors" as they walked for nearly a mile along lines carpeted with rose petals.

The village is the showplace of India's community development program, a joint Indian-U.S. technical cooperation plan.

Khrushchev told the applauding crowd, who listened to a "translation in Hindu, that "peasants everywhere have been deprived of education and other facilities of life." But the peasants in Russia, he asserted, "have political power and have built themselves materially and spiritually to the greatest extent possible."

The Red party chief recommended "the collectivization of agriculture and its speedy mechanization so that you may have more leisure for studies and other enjoyments."

More than 100,000 Indians from the surrounding area packed Sonepat to see the Russian visitors, who returned to New Delhi Sunday from Kashmir.

The Soviet leaders met Prime Minister Nehru later in the day for what informants said was the second discussion of the wording of a communique to be released before Bulganin and Khrushchev leave for Afghanistan Wednesday.

Bulganin and Khrushchev have scheduled a news conference for Tuesday. They will answer only selected questions submitted in advance.

Three Killed In Wild Shooting

DETROIT, (AP) — Three persons were killed and a fourth wounded in a wild shooting spree Sunday by a husband-father in the home of his estranged wife.

Police said Arthur Jackson, 44, a factory worker, put a bullet into his own brain after killing his wife, Vera, 36, and her brother, Harold Brenner, 28.

Jackson's 15-year-old daughter, Barbara, was wounded in the right leg by one of eight bullets her father sprayed about the terror-stricken household before reloading his automatic and firing a ninth shot into his own head.

VOTE

NEW YORK (AP)—The executive body of the Transport Workers Union has voted 37-7 in favor of accepting in the merged AFL-CIO despite Union President Michael Quill's opposition to the merger. The union had been a CIO member. Quill said he would support the majority decision, which must be approved by the union's 160,000 members.

Fan Too Early On Pre Award

LOS ANGELES (AP) — The Los Angeles Rams had just finished roaring into the dressing room after their Western Division title win Sunday when Coach Sid Gillman held up a gold cuff link for nosy reporters.

It was inscribed: "Chicago Bears, 1955 Football Champions."

Gillman said a friend in Chicago had sent it to him during the week. "Someone back there," said Sid, "jumped the gun."

He's returning it, gladly.

CONFAB

MANILA (AP)— British Ambassador George L. Clutton left by plane for Singapore today to attend the annual conference of United kingdom diplomats in southeast Asia.

REPORT

NEW YORK (AP) — A special report by Columbia College says that 200,000 of the nation's brightest high school graduates are not going to college this year.

THE CAMERA CORNER

BY BUD DRESSING

Each year millions of amateur photographers take aim at the family Christmas tree—and in nine cases out of ten, they're sorely disappointed with the results. A straight flash picture will be flat and lifeless, and a long time exposure over-exposes the tree lights.

Try this technique this Christmas. Buy a roll of medium speed panchromatic film and three No. 22 flash bulbs. Mount your camera firmly on a tripod or other solid footing. Focus carefully, and make sure the entire tree is included in the scene.

Make four time exposures of one-second duration each, with the camera lens aperture set at f.11, f.16 and f.22. Flash one bulb for each exposure while the shutter is open. The f.16 negative should be about right, but the other two exposures are insurance. Here's what to do . . . During the one-second exposure the four Christmas tree lights have time to record their light on film. The second flash of light from the fourth records the tree itself and the rest around it. The brilliant flash light also causes hundreds of highlights on the tinsel and trimmings to be recorded.

And one other caution . . . Be sure all room lights are turned out. And to be sure you have the right film, flash bulbs . . . or anything else in photographic equipment . . . be sure to stop in and see us.
