

Employers Get Tax Reminder

District Director of Internal Revenue R. C. Granquist issued the following statement today to remind employers that social security taxes apply to cash wages paid to every farm worker to whom the employer pays \$100 or more cash wages during the year 1955. The taxes (two per cent employer tax and two per cent employee tax) apply only to cash wages paid to covered farm workers.

Every farm employer who owes these taxes must file a return on Form 942, and pay the taxes, on or before January 31, 1956. Farm employers should file their returns on time in order to avoid the penalty which may be charged for late filing.

Any employer of covered farm workers who has not already registered with the district director's office should do so at once. The registration form SS-4 can be obtained from any internal revenue or social security office. The district director will mail the necessary return forms and instructions to all registered employers.

NEW EQUIPMENT

SHERMAN OAKS, Calif. — Five months ago Jerry Oppenheim, a manufacturer, went to Ensenada, Mexico, for a rest and was appalled to learn that the city's Hospital Infantil was hampered by lack of equipment. Yesterday the hospital received \$10,000 worth of medical, surgical and mental equipment. The Sherman Oaks Lions Clubs raised the money with Oppenheim as chairman of the fund committee.
