

TULELAKE

By Mrs. Sam Anderson

The Tulelake Garden Club presented its holiday flower show, "Christmas Symbols," on December 9. The well-planned show drew 300 guests.

That the exhibitors were inspired in creative talent in the various decorations shown for use in the home from the front door through-

out the house, was evidenced by the grandeur and beauty of the show. This was the only show of its kind held in the Klamath Basin or other parts of Southern Oregon.

Special pride should be manifested among us and our loyalty asserted to those whose untiring efforts made such a show a reality.

The peace typical of this time of year seemed to prevail as those present listened to the soft strains of Christmas music while friends and neighbors met, feasting eyes, enjoying the warmth of sharing friendships and the hospitality of Mrs. Webb Bowen, Mrs. Gewin McCracken and Mrs. Harry Rinabarger. They were hostesses at an open house in the Fireplace Room of the Tullake Community Presbyterian Church for exhibitors who were in Tullake for the day.

Judges were Mrs. Carl Gregg, Eugene, and Mrs. M. A. Bowman, Merrill, Mrs. Scott McKendree, Mrs. Charles Thurman, Mrs. Will Blackman and Mrs. Noah Nyhart acted as student judges.

There were 94 entries in the main decorative division, 24 in the classes for those who have won more than five blue ribbons, 57 entries of specimen plants in the horticulture division, four collections and entries by 78 children in the junior division.

Special thanks go to Robert Terry for his Christmas symbols, table markers, to the Tulalake Reporter and the Herald and News for publication of the schedule for the show and other publicity.

Our grateful thanks to all for your response, your attendance, the warm words of praise for our show and now that the day is done, the cares of the day, have folded their tents like the Arabs and as silently have stolen away. May you all have a happy holiday season.

GIRL'S BEST FRIEND

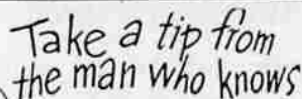

A girl's best friend is very often her deodorant, especially if she chooses one like Ban (Bristol-Myers new kind of lotion deodorant) that rolls on to afford 24-hour protection. An anti-perspirant, too, it is guaranteed not to injure even the most delicate of fabrics.

Following the business meeting, Mrs. Waters gave a most interesting report on Oregon state historical places, including much of the early history of Champco. She gave May 2, 1843, as the date the pioneers voted to become a part of the United States instead of remaining a part of this largest territory to become a part of the United States without being purchased or by bloodshed.

She also told of the life of Robert Newell. It is his house at Champoege that is now being completely restored by the Oregon Society, Daughters of the American Revolution.

Following the evening's program, mention was made that the regent, Mrs. Guy Barton, had been appointed as a national promoter for the Children of the American Revolution. Eulalona Chapter sponsors the local Schenckin Society, Children of the American Revolution with Mrs. James Thornton as senior president of the group.
