

NEW TURBO-PROP JET AIRLINER, the Fairchild F-27 "Friendship" is soon on its first flight at Schiphol Airport, Amsterdam, Holland, November 24. West Coast Airlines has purchased an option on six of the first production models to be manufactured in this country by Fairchild Engine and Airplane Corporation, Hagerstown, Maryland.

West Coast Airlines Puts In Order For New Planes

West Coast Airlines, Seattle-based local service carrier, announced today it had purchased an option on six of the first production models of the twin turboprop Fairchild F-27 "Friendship" at a total cost approximating \$500,000 each, not including spare parts and flight equipment.

The F-27, generally regarded as a leading contender for replacement of Douglas DC-3's flown by the nation's local service airlines, will be manufactured in this country by the Aircraft Division of Fairchild Engine and Airplane Corp., Hagerstown, Maryland.

Oil Fire Now Under Control

MOOSE JAW, Sask.—A huge oil refinery fire which threatened the east side of this prairie city of 30,000 people was put out early today.

Firemen fought in windy, 16-be-low-zero weather to check the blaze at the Husky Oil, Ltd., refinery.

Fire Chief Gordon Higson had said "the whole city could go" if fuel oil spilling from burning tanks spread.

A fire department official said the fire was extinguished at 2:30 a.m. almost four hours after a massive explosion shook homes in the city as far as three miles away.

Early reports said four oil tanks blew up. No one was injured.

Firemen concentrated their efforts on gasoline tanks located immediately east of the oil tanks. Police kept the public half a mile from the fire, which sent plumes of black smoke and blinding colored flames into the air.

The cause was not known.

Winter Hits Wide Areas

By THE ASSOCIATED PRESS.

Winter, not due to arrive officially until Thursday, gave a preview of things to come by clamping bitter cold on a vast portion of the nation today.

The north central states received the worst cold air blast. Near-zero winds were common northward of a line reaching through northern Illinois, southern Iowa and southern Nebraska.

Below-freezing temperatures reached southward into the Ohio Valley and northern Texas. Only the southern tips of Florida and Texas escaped. A heavy 68 was recorded at Key West, Fla.

In the frigid region, Bemidji, Minn., reported the morning's low reading of -31. Most of North Dakota, eastern South Dakota and Minnesota were in the 20-below-zero bracket.

Snow flurries touched the upper Great Lakes region.

Occasional rain, drizzle and fog plagued the Southeast.

FOG

LONDON—Fog delayed planes at London airport Saturday and many incoming aircraft were diverted to other fields. Fog was widespread and patchy over much of southern England, in some places slowing automobile traffic to a crawl.

Most Wanted List Gains

WASHINGTON—The FBI Monday added Joseph James Bagnola, 39, of Chicago, to its list of "10 Most Wanted Men."

It described him as a hired gunman who was involved in a brutal holdup-murder at New Orleans five years ago. Henry Stern, a used car dealer, lost his life when a gang of thugs raided his establishment and robbed him of about \$50,000.

The FBI said the holdup was planned by local New Orleans thugs who, fearing they might be recognized by their intended victim, imported three gunmen from Chicago to carry out the job.

Authorities said six men apparently were involved, and of this group only Bagnola is still listed as a fugitive.

The FBI said Bagnola has been in difficulty with the law since he was 16. A native of Chicago, he has spent most of his life there. He is of medium height and rather heavy set, with dark brown hair and brown eyes, occasionally wearing glasses. He has scars on the right side of his nose, his forehead and the upper side of his lip.

The FBI said he "should be considered extremely dangerous."

Bagnola goes on the "Most Wanted" list as a replacement for John Keadrick, who was caught at Chicago on Dec. 2.

Mail Carrier, Half Sister Now Reunited

MILL VALLEY, Calif.—James Conley delivered mail to Marie MacDonagh for four years without knowing she was the half-sister who was separated from him a quarter century ago.

They decided today, after getting everything clear, to spend Christmas together.

Mrs. MacDonagh is a clerk at Shoreline Market.

A customer, Mrs. James West, asked last Wednesday if she knew the name of the mailman who just walked in with a sack on his shoulder.

Going over to Conley, Mrs. MacDonagh asked:

"What's your name?"

"Conley."

"That's funny. That was my stepfather's name. What's your first name?"

"Jimmy."

"I had a younger brother named Jimmy."

"Well, I had an older sister named Marie. What's your name?"

"Marie."

It was just like that.

Mrs. MacDonagh recalled their mother "got sick when I was about 14 and Jimmy was 7." She went to foster parents and Jimmy to an orphanage in Marin County.

Long, Cold Hike For Fishermen

EDMONTON, Alta.—Henry Netter and Rudolph Dickertman of Edmonton were none the worse today for a 11 1/2-mile hike in frozen clothes and in 17-below weather.

The two men drove their car on frozen Lake Wabamun, 50 miles west of Edmonton, yesterday to do some ice fishing. The car broke through into five feet of water, drenching its two occupants. On their walk back for help their clothes froze solid but doctors said they suffered no ill effects.
