

DUBARRY ROYAL TREATMENT CREAM contains the Royal Jelly of a Queen Bee. It is very rare and very precious. Only the tiniest amount is used every night yet in just a week the skin becomes suddenly younger — seems to hold time at arm's length. You'll be amazed to find your skin clearer, finer looking and that the tiny surface lines have disappeared.

CORNERSTONE LAID

TOKYO — Francis Cardinal Spellman, Catholic archbishop of New York, Wednesday laid the cornerstone of Japan's first church

dedicated to St. Patrick. He presented \$5,000 to the new church's building fund. The Cardinal plans to leave Saturday for his fifth Christmas in Korea with American troops.

PORK ROAST

Swift and Company has a new meat trim which gives more lean meat servings per pound. This uniform lean trim leaves only a minimum amount of fat on the cuts for juicy, flavorful eating.

Pork roasts, a special favorite with the men in the family, offer hearty eating with a promise of tempting seconds and encore meals.

For special company occasions, the loin-roast, "king" of fresh pork cuts, is tops. But fresh hams and pork shoulder roasts are equally fine and shouldn't be overlooked. Add extra flavor and elegance to these roasts by scoring and glazing them in the same manner as your holiday ham.

Always important in roasting pork is to remember that it should be cooked to the well-done stage. Use a meat thermometer as a sure test of doneness to make sure there is no trace of pink at the end of the cooking time.

A 325 degree temperature is best for roasting and produces a juicier roast with less dripping loss.

For a festive, easy-to-make garnish for your pork platter, top small whole baked cinnamon apples with a mound of cottage cheese and arrange around the roast.

Here's a time schedule for preparing the kingly loin roast.

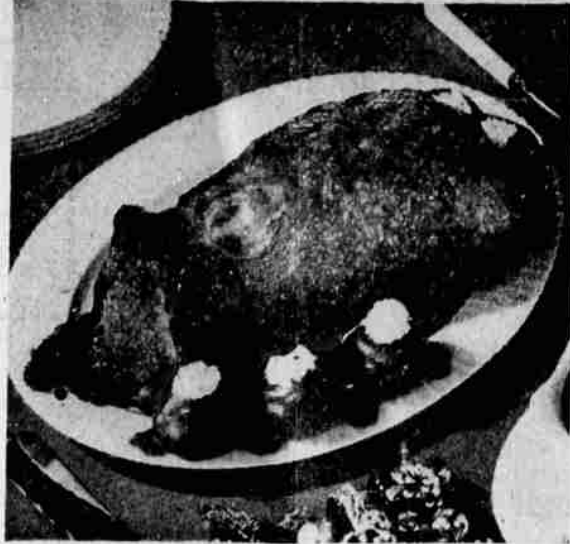

Place pork loin roast, fat side up, on a rack in an open pan. Do not add water. Do not cover. Insert a roast meat thermometer. Roast in a slow oven, 325 degrees, about 2 1/4 hours for a three-pound roast; three hours for a five-pound roast; three and one-half hours for an eight-pound roast, and four hours for a 12-pound roast. Internal temperature in each case should be 185 degrees.

ROAST PORK SKILLET

Yield: 4 to 6 servings

1 1/2 cups thin-sliced cooked roast pork

1 medium onion, sliced
1 tablespoon butter or margarine

PLENTIFUL PORK is a good meat buy right now and its tender goodness is as easy on the appetite as it is on the pocketbook. Swift and Company adds a recipe for left over roast pork to directions for cooking a pork roast.

- 1 10 1/2 ounce can chicken and rice soup
- 2 tablespoons water
- 1 tablespoon flour
- 1/4 teaspoon thyme
- 1 package frozen peas or 1 1/2 cups cooked peas
- 1/2 teaspoon salt
- 1/2 teaspoon paprika

Cook onion slowly in butter in a skillet. Pour off liquid from soup and combine it with water, flour and thyme. Add to onions in skillet and stir and cook until thickened. Add frozen block of peas and stir until thawed enough to break apart. Lay sliced pork on top and cover with remainder of soup. Sprinkle

with salt and paprika. Cover skillet and simmer mixture 20 minutes.

Planes Begin Flood Relief

NAPLES (AP) — Four U.S. Navy planes took off Wednesday for Beirut with emergency relief supplies for Lebanese flood victims. The planes carried 10,000 pounds of evaporated milk, 45,000 pounds of "C" rations and 2,500 pounds of dried milk.

A weekend flood in the north Lebanon coastal town of Tripoli left about 160 dead and 200 missing. More than 100 buildings were destroyed.

PERFUME BALLERINA is one of the decorative small gifts presentations created especially for the Christmas season by Coty. The little dancing figure has a sparkling skirt, wears a headdress of delicate feathers and holds a purse of perfume in her tiny arms.

DAY'S START

Eating a good breakfast is the best way to greet a cold winter morning. Piping hot cereal is quick and economical. For the extra measure of valuable minerals and vitamins, stir in a handful of seedless raisins.

Dainty Gift

Little things mean a lot—which is no doubt why some of the most successful of all Christmas gifts are the cleverly designed "small remembrances." Festively presented for friendship presents, party favors or right-off-the-tree gifts, they always seem to offer something of universal appeal while still having a price tag that is considerate of the shopper.

Long famous for such thoughtful treasures is Coty, who has this season created an especially pretty trio of little whimsies. Each is a charming ornament reminiscent of those on an old-fashioned Christmas tree and bears with it a purse-size flacon of a famous perfume—something beloved by women of all ages. One is a sparkling little

ballerina decorated with delicate feathers and holding the purse flacon in her tiny arms. Another is a graceful golden swan, bearing the purse on its back. The third presentation couples the convenient little perfume flacon with a pretty gold ornament guitar. The little figures come complete in their own golden gift boxes. Each is available in a choice of Coty's four world-famous fragrances — "L'Orlean, L'Aliment, "Paris" and Emeraude.

COLD BRANDIED COFFEE

For those who like it cold beat 4 eggs until light and foamy. Add a third of a cup of sugar and continue to beat until melted. Add two cups of cooled strong coffee and brandy to taste. Chill thoroughly. Serves four.
