

A PICTURE of resort-into Spring suit and accessories this year is this suit of Strook's kitten-soft sheer wool in "singing California Color" Ballad Bisque, made by Spectorator, Ltd. The double draped collar stands prettily away from the throat, the jewel-buttoned band covers buttons that march down the front of the gently fitted jacket. Sleeves may be worn long or pushed up. The draped jersey turban is by Suzy Lee Hats and matching gloves are by Harms of California. Shoes of matching flannel are by Sbicca of California. Photo from The Wool Bureau, Inc.

CURRIED PINEAPPLE

Sprinkle brown sugar and curry powder on pineapple slices or rings and saute in butter or margarine until well browned. Or, brush with melted butter first and bake in your broiler pan for a few minutes. Serve with chicken, veal or lamb.

One holiday's gone and away, and just one more to go. Then — off to 1956.

Traditionally, there are resolutions to be made for this coming year. It's going to be an important year, you can count on it. Each year you're in is the most important year of your life.

Here are some suggested resolutions:

If you are a mother, start your youngsters off on a milk habit designed to stick with them all their lives. They will grow healthier and stronger, and certainly will live happier lives for it all.
If you're a housewife, "build milk into your meals" — make certain there are three glasses of milk for each individual in the family, whether its being served or is part of a dish or combination of dishes.
If you're just a gal, you owe it to yourself to plan the milk habit for yourself 30 days a month, 12 months of the year.
If you're a mother-to-be, there's no need telling you more — you've got the word officially, no doubt, that you'll never find anything better than milk for times like this.

To finish off the holiday season with a flare, here's a nice recipe — JOLLY SNOWMAN:

1/2 cup Crisco, 2 cups sifted cake flour, 1 1/2 cups sugar, 3 teaspoons baking powder, 1 teaspoon salt, 1/2 cup milk, 1/4 cup milk, 2 eggs, 1/2 teaspoon almond extract, 1/2 teaspoon vanilla extract.
Start oven at 350 degrees F. Grease, then flour red glass oven proof bowl from mixing bowl set, and 3 six ounce (3/4 cup) custard cups.

Measure 1/2 cup Crisco, 2 cups sifted cake flour, 1-1 1/2 cups sugar, 3 teaspoons baking powder, 1 teaspoon salt, and 1/2 cup milk into mixing bowl and using electric mixer at medium speed, or by hand, beat 2 minutes, scraping sides and bottom of bowl often.

Add 1/2 cup milk, 2 eggs, 1/2 teaspoon almond extract and 1/2 teaspoon vanilla extract to above mixture and beat for 2 minutes more, being sure to scrape bottom and sides of bowl often. A rubber spatula is wonderful for this.

Fill custard cups one half full, turn rest of batter into RED bowl. Bake custard cups 20 minutes, and the bowl 65 minutes, or until the cake tests done. Cool cakes in containers for 15 minutes, then loosen around the sides and turn out. Let cool with the rounded side up.
