

Alien Report Estimate Given

Acting officer in charge John W. Wilson, of the Immigration and Naturalization Service, announced today an estimated 2,000 aliens have already filed out address report cards under the law requiring non-citizens to report their addresses to the government each January.

John Wilson said the law applies to all non-citizens except persons in diplomatic status, and foreign representatives assigned to the United Nations.

The parent or legal guardian of an alien under 14 years of age, or legal guardian of an incompetent alien should fill out the address card for such class of non-citizen.

Willful non-compliance with the law can make an alien subject to fine, imprisonment, and/or deportation.

John Wilson urged all aliens in Oregon and Idaho to fill out cards at the nearest post office or immigration office as soon as possible. He said the law requires that the cards be filled out during January of each year.

DR. GEORGE H. ADLER

Adler Stricken; Taken To Clinic

Dr. George H. Adler, Klamath County coroner, was taken to Hillside Hospital at 11 a.m. Sunday when he was stricken suddenly at his home, 1305 Pacific Terrace.

Attending physicians described Dr. Adler's condition Monday morning as improved. They did not disclose the nature of his illness.

Mrs. Adler, who was visiting in Portland, arrived home Monday morning.

Fire Destroys Red Embassy

OTTAWA (UP)—A battle raged today over the undiplomatic behavior of a group of Russians toward Canadian firemen attempting to fight a fire that ruined the Soviet embassy.

The Russians accused Ottawa fire fighters of using inefficient methods and defective equipment in fighting the \$250,000 blaze that gutted the 19th-century, three-story mansion Sunday night. No one was injured.

Ottawa's woman Mayor Charlotte Whitton countered that the Russians hampered the firemen and vowed to bring the matter before the Canadian Parliament when it reconvenes next week. Mayor Whitton also called for a special conference to decide once and for all the powers of firemen fighting blazes on diplomatic property.

Only the walls of the stone and brick mansion were left standing. The fire was believed to have started on the floor housing the embassy's coding and communications section.

Fire Chief John D. Foote said the fire had been burning for about an hour before his men were summoned. He said he found the embassy staff carrying steel filing cabinets and armloads of documents to waiting automobiles.

Foote said the Russians would not get out of the way to let firemen bring equipment into play until they had finished their evacuation.

Flood Control Help Asked

MEDFORD (AP)—Jackson and Josephine counties are asking the federal government for flood control protection in the Rogue River Basin.

A resolution to Congress from the two county courts asks a survey by Army Engineers to determine the best flood control measures.

The Bureau of Reclamation estimated that 78 per cent of the damage from the pre-Christmas Rogue flood could have been prevented by a dam on the Rogue at Lewis Creek.

The bureau said the flood was the second worst in history. The worst was in 1861 when the river flow at Grants Pass reached 175,000 cubic feet a second, compared with 126,000 last month.

Last week at Coos Bay the chamber of commerce there said it would seek a survey for flood control on the Coos and Coquille rivers.

Funeral Rites Announced

LAKEVIEW — Funeral services for Wesley Paul Anderson, 60, who died January 1, will be held at 2 p.m., Wednesday, from the chapel of Owsley-Osterman Funeral Home, with the Rev. Gordon Griffin officiating, and interment in Sunset Park Cemetery.

He was born July 22, 1895, at Korbel, California. A veteran of World War I, he was a member of the Eagles Lodge and the Presbyterian Church.

Survivors include the widow, Mary Woolston Anderson of Lakeview; three sons, Niles of Cordova, Alaska; Ariel, of Tulelake and John of Carliotta, California; four brothers, Walter of Lakeview; Fred of Eureka, California; Ernest of Orleans, California, and Arthur of Korbel, California; one sister, Mrs. Harry Parton, Arcata, California, and five grandchildren.

Plane Crashes On Takeoff

BLOOMINGTON, Ill. (AP)—A salesman, his wife and their two young daughters were killed Monday when their private plane crashed in a heavy overcast in a plowed field and burst into flames.

Killed were Paul E. Ward, 42, salesman for a railroad supply company; his wife, Harriett, 40; and their daughters, Joan, 14 and Sharon, 8.

'Excellent' Skiing Told

LAKEVIEW — Skiing was excellent at the Warner Canyon ski area for the entire holiday week, according to James Howard, president of the Fremont Highlanders Ski Club.

The two operated every day through Monday, January 2, and about 100 skiers were in the area each day, with 150 on Monday.

Weekend visitors came from all over Southern Oregon and as far as Portland. Among them were H. C. and Gordon Cunningham of Klamath Falls; Mr. and Mrs. Clarence Hill of Henley; Mr. and Mrs. Tom Rickard and son, Ben, who was home on military leave after Korea, and Howard Cain, all of Medford; Don Kistner and Gaylee McBride, skiers from Portland.

More Salk Vaccine Seen

NEW YORK (AP)—Basil O'Connor, president of the National Foundation for Infantile Paralysis, says enough Salk vaccine may be available this year to inoculate all children up to age 14.

O'Connor added, however, in launching the 1956 March of Dimes Monday night: "The vaccine is worthless until it enters the arms of our children. Parents must realize that the time to prevent polio next summer is now."
