Wild Ride Ends With Crackup

Two 17-year-old boys who led state police on a 20-mile chase from Merrill to Mills Addition in Klamath Falls were held in city jail today pending action by juvenile authorities. The youths, who arresting officers said were intoxicated, were accompanied by a 17 and a 15 year old girl. All names were withheld. The chase ended when the fleeing automobile and one of two police cars involved in the chase collided on Division Street. The other police car stopped in the path of the boys car and blocked further flight. The boys were held in the city jail. One was charged with reckless driving, and the other was booked on a drunkenness charge. According to County Juvenile Officer Francis Mathews the chase started shortly after 10 p.m. Saturday. Mathews explained that state police patrolling on Highway 39, attempted to flag down the car in which the boys and girls were traveling at a high rate of speed. They ignored the officers' signal to stop. The officer then started in pursuit and radioed to State Police headquarters for help. Another police car joined the chase at Lakeview Junction. After the collision in which the bumper of the police car was smashed, one of the boys tried to escape on foot. He was captured. Mathews said both boys had been in previous trouble with juvenile authorities. He quoted one of the girls who were released to their parents as saying during the chase: "We were going 85 miles an hour — so why stop."
