Play it smart! Buy your fur coats in the summer . . . your used cars in the winter. Each January we are overstocked with used cars due to our heavy trade-in acceptance on new models. Each year at this time we reduce prices in order to lower our inventory. If you need a good used car, NOW is the time to buy. If your income is periodical, ask about our SKIP-PAYMENT plan. We are now in a position to really give you a deal you've been looking for. Don't pass up this great opportunity!

NOTHING BUT FABULOUS DEALS!
