

THE YMCA'S WOMEN'S GYM CLASS is one of the many facilities offered adults at the Klamath Falls YMCA, 722 Pine Street. Mrs. Dean Howell, instructor, leads a class in exercises at the Thursday's gym class. The Klamath Falls chapter of the Y is observing National YMCA Week with varied activities this week.

YMCA Offers Facilities For Both Youth, Adults

(Editor's note: The week of January 22 to 28 is National YMCA Week. This is the fourth in a series of articles describing various phases of YMCA activities.)

In addition to the extensive programs for young people described earlier in this series, the YMCA at Klamath Falls offers a full slate of activities for adults of all ages. Most of the activities are either

physical fitness activities or recreation.

First, the YMCA headquarters on Pine Street has one of the most modern and well equipped health services in the area. The facilities are available to anyone in the Klamath Basin. More important than the physical plant, YMCA leaders say, is the fact that health service director Bob Johnson is one of the best physical training supervisors in the state.

Among the available activities are handball courts for both singles and doubles, weightlifting equipment for both beginners and advanced enthusiasts, exercise equipment for special rehabilitation programs, mats for tumbling and wrestling, a boxing ring, a gymnasium for basketball, volleyball or other games, and a trampoline.

In addition to these facilities, which are open for use by either men or women, there are classes and facilities for fencing, archery and other sports.

Johnson says the health service is geared to serve the needs of everyone. Available to men and women are a steam room, showers, ultra-violet light equipment, massage tables, heat lamps, lockers and expert operators for this equipment.

He said that people of the Klamath Basin are cordially invited to stop in at the YMCA headquarters and see the program in action. He added that more than 150 persons are participating in the health services and classes.

Milkmen Name L. Geraghty

Lawrence Geraghty, Merrill dairyman, was reelected Monday night as president of the Klamath Grade A Producers Association.

His election occurred at an organizational meeting of the recently elected new board of directors of the association. The meeting was held at the Winema Hotel.

Other officers elected were Wilbur Reiling of Poe Valley, vice president, and Ray Hobson of Merrill to another term as treasurer. Wilbur Haskins will continue as the association secretary-manager.

The board also set the fourth Monday of each month as its regular meeting night. At the next meeting, on February 27, the directors will discuss the promotional program and advertising budget for the coming year.

New directors were elected at the Association's annual meeting on January 17. They were Stanley Masten Jr., of Poe Valley and E. G. Born of Crystal Springs. Re-elected were Geraghty and George Reiling of Poe Valley. They are serving with holdover directors Wilbur Reiling of Poe Valley, Ken Waters of Montague, California, and Hobson.

LAKEVIEW—Ted Pauck, Lakeview High School junior, won first place in the Lake County division of the "Responsible Driving Code Contest" sponsored in the high schools of Oregon by the Highway Lifesavers Committee, announced W. H. (John) Buell, county chairman of the Highway Lifesavers.

Second place was won by Nancy Warburton, senior, and third by Glenda Snow, sophomore.

The three winners will be given a free airplane ride, furnished by Myron Buswell, manager of the Lakeview airport, over Goose Lake Valley. Their winning codes will be entered in the state finals.

Last year Melba Snow, a Lakeview senior, won the county award and also placed first in the state contest and was given a \$250 defense bond by Governor Patterson in Salem last September.

"Andy says I'm an angel!"

Andy thinks it's nothing short of a miracle the way I manage to get all my housework done and still have time for the many things I really enjoy doing. The truth is, I've simply found faster, easier ways to do my work. Like wood floors. How I used to dread that chore until I found out about Bruce Cleaning Wax. Now it's almost a snap because Bruce cleans as it waxes. And, honestly, my floors haven't looked so nice in years. If you have wood floors, you really ought to try Bruce Cleaning Wax. I know you'll like it.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing, Bruce Paste Wax, Bruce Asphalt Tile Cleaner, Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!
