This week, we're featuring the "All-American"

## PORK CHOP!

Mmmm! Man! What's better than tender pork chops, sizzling in the pan, done to a golden brown? These are lean, tender center cut chops from Nebraska corned young porkers (it's that "corn-fed" that gives them the flavor). Buy for immediate use or put some in your freezer because they were specially purchased by Market Basket to sell for only
