WEED—The public is invited to attend the joint formal ceremonies of installation of the officers of the Foresters of America and the Shasta Lily Circle, Companions of the Foresters, scheduled for Saturday night, January 28, at the Foresters Hall in Weed and beginning at 8 p.m.

Dancing will follow the joint ceremonies as entertainment for the evening. Final plans for the installation were completed at the regular meeting of the Circle held Thursday night, January 19, with Mrs. Frank Paletta, chief companion, presiding.

Other business included the details for the rummage sale to be sponsored by the Shasta Lily Circle Wednesday, February 22. The project will be held at the Weed Court Club between the hours of 10 a.m. and 6 p.m. Tentative plans were discussed for a Valentine party for the children of the members and will be continued at the next regular meeting.

Church Begins Heresy Trial

MINNEAPOLIS, Minn. (UP)—Three hundred pastors and laymen of the United Lutheran Church's Northwest Synod met today to decide whether to defrock three young ministers for heresy.

The special convention was called to review the heresy cases of the Revs. George Crist Jr., 31, John Gerberding, 33, and Victor K. Wrigley, 36.

The three ministers are former pastors in the Milwaukee, Wis., area and one-time classmates in college. They are charged with preaching and teaching doctrinal deviations, including denial of the virgin birth and physical resurrection of Christ.

The case has aroused wide interest throughout the Protestant world. Some theologians and protestant spokesmen have defended the young ministers, saying Martin Luther, himself, was a heretic.

Dr. Paul E. Bishop of Minneapolis, head of the Northwest Synod said the convention would make a final judgment on the clerical fate of the three pastors.

The Rev. Crist, former pastor of the Gethsemane Lutheran Church at Durham, Wis., and the Rev. Wrigley, former pastor of the Gethsemane Lutheran Church at Brookfield, Wis., were found guilty of heresy charges last year by church trial committees.

Crist was convicted July 28 on nine of 15 counts and was suspended from the ministry despite his steadfast denials that he was guilty of any deviation.

Wrigley was convicted on five of six heresy counts Nov. 11 and was suspended by synod officers.

Gerberding was acquitted on seven counts Aug. 31 but was censured by the trial committee for "obvious confusion, immaturity and inconsistency."

Models Ease Lumber Plan

PORTLAND (UP)—Oregon lumbermen are relying on beautiful models to help sell the first change in lumber grades in 50 years.

The girls will help the lumber industry acquaint tens of thousands of lumber workers and millions of carpenters, architects and builders with the fact that on Mar. 15 lumber grades will be designated by name instead of by numbers.

Instead of Nos. 1, 2, 3, and 4 grades of lumber produced in the Douglas fir region of the Pacific Northwest will be known as construction, standard, utility and economy.

The campaign to educate lumber users with the new grade designations will be nationwide.

REMOVE CATTLE FT. POLK, La. (UP)—"Home on the Range" doesn't apply to the rifle range at Ft. Polk, the Army said today. It warned farmers to remove their cattle from the range by Feb. 10.
