Mr. Shafer ministered to the Church of Christ in Phoenix, Oregon, from 1954 until receiving the call from the Suburban Christian Church of this city.

A fellowship dinner was held recently by the congregation to welcome the pastor and his family.

Lake Church Plans Project

SUMMER LAKE—The Guild of the Church of Our Savior was entertained by Mrs. Patsy Carlson at her home Wednesday afternoon, January 18, at 2 p.m., for their regular meeting.

A sewing project for the coming year was chosen by the members. Refreshments were served from a prettily appointed table, and the afternoon was spent socially and with sewing.

The next guild meeting will be February 8 at the home of Mrs. Alice Carlson.

OVER THE GARDEN GATE

GILCHRIST
By Hope M. Brader

The regular meeting of the Gilchrist Community Garden Club was held in the Methodist Church social room on Wednesday evening, January 18 with the president, Mrs. Corwin Galbreath presiding.

Roll call was answered by listing "My Favorite National Park" and as far as the Gilchrist women are concerned, Crater Lake National Park leads all others.

After a short business meeting the program chairman, Mrs. Verne I. Brader, introduced Mr. and Mrs. Ed Thompson of 58 Cafe who showed movie film of an extensive vacation tour of the United States across country and south to Florida. Pictures were taken of almost all the famous spots on this trip. The highlight of the film was a movie taken of the local country with the swan at Summers Lake, the deer on the winter feeding grounds at Fort Rock, Salt Creek on Highway 59 in winter, and the Willamette Ski Run during an international ski tournament. We found that our own country is beautiful.

Sides were chosen for tree study for the next meeting with Miss Houston captain on the study for Douglas fir and Mrs. Vern Roehke as captain for study of ponderosa pine. The side that gathers the most interesting study material will be treated to a picnic this summer by the losing group.

Karen Fogelquist played a number on the piano. Miss Houston

CUTS YOUR FEED COSTS PER DOZEN EGGS

X-TRA EGG PRODUCER

TRIANGLE

Laying hens eat primarily to satisfy their hunger. They can subsist on scratch grains only, but this diet will not produce eggs in quantity. Only a balanced feeding program will produce a maximum of eggs economically. This is why TRIANGLE X-TRA EGG Producer is so economical. Its famous balanced formula contains all the necessary elements in exactly the right proportions. The result is less feed cost per dozen eggs produced.
