

AUTO SHOW

1956

Models

Make sure that you are on the scene when the curtain on the future is whisked aside and the new cars of 1956 stand forth in all their shining glory. Preview the latest advances in engineering and design . . . the new conceptions of power and performance and safety that famous makers have built into their 1956 cars. Thrill to the new lower, longer, lines . . . the new compelling colors . . . the new eye-catching beauty . . . that capture all the sweep and surge of the future for you to enjoy today. Discover a new world of automotive achievement at this gala presentation of history-making models!
