

### Panther Meadows Ski Area Potential Reported Great

DUNSMUIR — The proposed Panther Meadows ski bowl and chairlift could attract up to one million visitors a year, members of the Mt. Shasta Chairlift Development Committee were told Friday afternoon. The 20 members who assembled for luncheon and an afternoon session at the Hotel Dunsmuir were told by George Schrader, committee executive secretary, that a traffic study made at the intersection of highways 99 and 89, the McCloud road, indicated six million cars pass Mt. Shasta yearly. Studies show about one-sixth of them can be expected to visit a point of interest.

### New District Names Leader

Mrs. Naomi French, executive director of the Klamath Council, Camp Fire Girls, was named temporary chairman of a newly formed Southern Oregon district of the Oregon Section of the American Camping Association, at a board meeting of the group at Ocean Lake, Oregon, January 27.

The new district will include any community which finds it easier to come to meetings in the southern part of the state than to travel to Portland, where most of the section meetings are held. A meeting is planned for late March, probably in Medford.

Membership in the American Camping Association is open to any group or individual carrying on a camping program, including day camping. Its objectives are to promote fellowship among camping people, to work together to improve camping practices, and to work with legislative committees to see that laws which are not intended to apply to camps are so worded that they will not interfere with the normal operation of camps. In some states this was not done, and camps are seriously handicapped by requirements which were never meant to be applied in a camping situation.

### Kiwanis Club Sets Record

Membership in the Klamath Falls Kiwanis Club has reached an all-time high of 160. Announcement of the record was made by Dr. Hugh Currin, 1956 membership chairman.

Stan Miller, who heads the new slate of officers this year, as president, has announced the objectives of Kiwanis International for the coming 12 months: 1. rededicate ourselves to strengthening home, church and school; 2. combat the causes of juvenile delinquency and intensify constructive services to youth; 3. recognize the threat of mental and emotional illness and support programs for treatment and rehabilitation of sufferers.

Aid and participate in civil defense organization and training; 5. foster better understanding between urban and rural people and promote Farm-City Week; 6. encourage programs of closer cooperation and better understanding between men in government and men in business; 7. lead and educate in citizenship responsibility; 8. strengthen the friendship between Canada and the United States through increased knowledge and understanding of each other; 9. practice a world-wide good neighbor policy, using every opportunity for friendly intercourse with other people of the world; 10. strive for peace through effective armaments control and the earnest support of the principles of the United Nations.

### History Brochure Now On Sale

MOUNT SHASTA — The School number of the Siskiyou Pioneer, a publication of the Siskiyou County Historical Society, is now on sale at news stands throughout the county. Historical society members have received their issue by mail.

The society has announced that pictures and information for the issue were gathered principally by the county's school children under direction of Dr. Kenneth Young of the county superintendent of schools' office.

A history of the schools in Siskiyou County by George Luttrell of Yreka is a featured article in the booklet. There are 50 photographs of early schools and groups of pupils in the publication and sketches of schools no longer in existence.

### Best Use Of Tax Form 1040 Outlined For Harried Payer

"All persons with adjusted gross incomes of \$5,000 or more who have wages not subject to withholding tax, interest and dividends of \$100 or more, are to use the Form 1040 when filing their 1955 income tax returns," Ralph C. Granquist, district director of the Oregon District advised today.

If a taxpayer's income is less than \$5,000 from salary or wages and deductions are not itemized, he may elect to use Form 1040 but need fill out only Page 1, using the tax table on Page 16 of the instructions.

If business or farming income on the separate Schedules C or F. The total is carried forward to Lines 8 or 9 on Page 1 of the Form 1040.

"If the total income is \$5,000 or more per year, compute tax on Page 2 of the Form 1040," stated the District Director, adding, "All other types of income, such as, income from dividends, interest, gains and losses, from sale or exchange of property, pension or annuity incomes, rents or royalty incomes, or income from partnerships or estates or other sources are reported in the proper columns on Page 3 of the Form 1040."

It is important for each individual who files an income tax return to study carefully printed instructions accompanying the tax form.

"In many instances," stated the director, "it will be found that it is generally to the advantage of the taxpayer to itemize his deductions, regardless of whether his income is under or over \$5,000 per year. Taxpayers are urged to carefully check their personal records as to possible deductible items paid through the year. These include contributions, interest payment, taxes, medical and dental expenses, child care, casualty losses and other miscellaneous items to determine if they are in excess of 10 per cent of the adjusted gross income."

"This year taxpayers are urged to study and make an effort to fill out their own returns. It will
