7 out of 10 WOMEN

"SERVICE" MEATS!

That's right! Surveys by Super Market Institute, of which Big Y is a member, show that 7 out of every 10 women prefer to have the butcher wait on them when they buy meat. They like to pick out the fresh, tender cuts they want, and to have the butcher weigh them and wrap them right before their eyes. That's why Big Y sticks to "Service" meats.
